Blade 30

Blade 30

Ribco Blade 30

Ribco Blade 30, is our new model in the 9m segment. With a newly developed hull with two steps she is amazingly efficient and fast. Moreover, she has excellent sea keeping ability and comfort under almost any condition. The deck is also new with a lot of space for sunbathing and relaxing. Also there is a big list of standard on board which include all the necessary electronic equipment, a soft bimini top, a table at the stern and a rear facing couch on the stern with an ice fridge in it. There is also a big list of extras in order to customize Blade 30 which include among others a WC, a newly designed T-Top, teak deck and bow thruster. Blade 30 can be fitted with a single engine of up to 500 Hp (Mercury Racing V8) or a pair of two engines with up to 2 x 225HP.

With the Mercury 2 x 225HP Blade 30 reaches 55 knots and consumes 1,5 lt/mile at the speed of 30 knots!

About RIBCO

In 1994 Ribco was born by Stelios Ladopoulos and Valerianos Nikas. Their passion for perfection and their love for the sea was part of the inspiration. Their dream was to produce the best RIB boats in the market. Excellent quality in every aspect, great sea keeping characteristics combined with bulletproof construction. Numbers prove that they were right. Since then, more than 700 Ribs have been produced by Ribco, distributed in Greece but also in USA, Middle East, Australia, Monaco, Turkey, England, France, Spain, Italy, Croatia, Montenegro and other European and Eastern countries.
