NOTES

Elegance, generous space and good sailing performance are the main features of this 54 feet designed by Judel Vrolijk.

The optional features installed on board make the boat a concentrate of comfort and easy sailing. The furling mainsail, the electric furling jib, the self-tacking jib, the retractable electro-hydraulic gangway and a generous bimini guest for exteriors. The electric toilets, the thermostats in each cabin, the 6 kw generator and the double fridge with freezer make the stay on board pleasant in every season
