- LIFERAFT 8 PERS.

- SAFETY CERT. VALID UNTIL 01/2021
- DELTA ANCHOR 32 KG
- CHAIN 75 M 10 MM
- BATHING LADDER
- SUN AWNING
- FULL WINTER COVER

NOTES

Magnificent exemplar of the Swedish historic yard, the Sweden 54 is one of the latest product models. Elegant and refined boat combines quality, construction accuracy and performance in a modern and functional design. A complete accessory list, the carbon composite hull with Kevlar reinforcements, the Hempel antiosmosis treatment, and a constant and accurate maintenance make this model one of the most interesting on the market.
