Descripciones

The Navetta Line is a high volume concept designed for extended live aboard cruising with a contemporary-classic, elegant design throughout. Main deck master suite, optimized 5 cabin layout, large hull windows, bow lounging area, garage for tender and toys. The pedigree of the yard is well renowned for quality and detailed finishing and this example has been equipped to a high level, including the audio-visual package, high quality appliances and both zero speed fins & gyro stabilizers for complete comfort.

Classic white exterior with black hard top to the flybridge, a dark brushed oak interior and a clean but sophisticated interior decor.

Built to RINA and MCA certified should her new owner wish to charter.

THINK BIGGER is a turn key solution ready for the 2022 season, offered for sale as her owner is moving up to a larger vessel.

Información y características

Dimensiones

Eslora total: **37 m 4 cm**

Manga: **8 m**

Main Characteristics

LOA: 37.04 m

Max. Beam: 8.00 m

Displacement Unladen: 185 t

GT: 280

Hull Type: Semi displacement

Fuel Tank Capacity: 32.500 l

Fresh Water Tank Capacity: 4.000 l

Engines: 2 x MAN 12V CR 1400 mhp at 2100 rpm

Generators: 2 x Köhler 70 kW 70EFOZD (uprated from 53 kW)

Max. Speed: 15.5 knots

Cruising Speed: 12 knots

Range: 2000 Nm

The characteristics as speed and range are considered at 1/3 load (1/3 tanks)

No. of Cabins: 5

No. of Bathrooms: 7

No. of Crew Cabins: 4

No. of Crew Bathrooms: 4

Construction material Fibreglass

Hull & Propulsion project: Ferrettigroup Engineering Dept.

Exteriors and Interiors design: Studio Zuccon International Project

Classification: RINA

MCA certified from the factory

Extras

Köhler main genset 70EFOZDJ (70KW) diff. from 55EFOZDJ (53KW)
Köhler auxiliary genset 70EFOZDJ (70KW) diff. from 55EFOZDJ (53KW)
Stern thruster 58 HP hydraulic (double propeller)
Shore voltage and frequency converter A/sea
Watermaker Idromar 500lt (duplex 250l/h+250l/h) diff.
Treatment system for black water Hamann
UV water sterilizer
Active carbon filter
Water softener
Idrostop Fluiten
Centralized system for engine/inverters/generators oil change
Fuel filling station in the garage
Fuel oil filter Alfa Laval
Teak flooring with black caulking
Teak flooring in the beach area (tender platform not included)
Teak flooring in bow area with black caulking
Underwater lights - each - (5 on each side, 2 at aft)
Dimmer light in lower deck
Dimmer light in the cockpit
Dimmer light in main deck
Dimmer light in upper deck
Air conditioning Tropical with UTA diff.
Additional bed in hostess cabin
Separable sliding beds in portside guest cabin diff.
Pullman bed in starboard side guest cabin
Electrical raising of curtains in the LD cabins
Electrical raising of curtains in the UD salon
Automatic opening for glass door on portside dining area diff.
Automatic opening for glass door on starboard side dining area diff.
Automatic opening for glass aft door in upper deck salon diff.
Stern sliding door in main deck with Stratophone diff.
Window with porthole in galley
Professional washing machine Miele PW 6065 Plus diff.
Additional washing machine Miele
Miele dryer PT 7135 Plus diff.
Additional Miele dryer
Miele appliances diff. from standard in the galley
Miele fridges diff. from standard in the galley
Full-height wine cooler in MD pantry
Hoshizaki ice-maker in MD pantry
Hoshizaki ice-maker in UD cockpit
Hoshizaki ice-maker in SD
Additional fridge in UD cockpit furniture
Fridge diff. in UD pantry, at portside
Kenyon Texan grill on the SD diff.
MCA certification
Hull gelcoat color diff. from standard
Woodwork diff. from std.: dark brushed oak

Gyro stabilizers

Aft garage ceiling electrohydraulic travel, for hauling and launching the jet ski

Crane with maximum loading 500kg in the bow garage

Auto Identification system AIS Furuno Class B (TX-RX FA 50)

Super premium integrated bridge

CCTV: camera color mot. Pan/Tilt-zoom in MD cockpit, at aft

CCTV: camera thermal night vision + B&W Flir "M625L" 25Hz

Antenna TV sat KVH HD11 with receiver in salon diff.

Empty Dome for Antenna TV Sat KVH HD 11 diff.

Tv 55" Samsung QLED 8k in MD salon

Tv 55" Samsung QLED 8k in UD salon

Samsung Frame Tv 55" in LD cabins

Samsung Frame Tv 55" in master cabin

Tv 28" in captain cabin

Crew dinette tv diff.: pivoting built-in tv, at starboard side

Apple TV upgrade: 4k apple tv

Predisposition for additional TV-Sat antenna

A/V Package Domotic Area A

Premium Internet Package

Internet upgrade 5G ready: Peplink modem 5G with two active SIMs and SIM injector

Access point upgrade: extension of the wifi coverage

A/V package premium sound area A

A/V package Premium Sound External Sonance

SD audio system upgrade and loudspeaker predisposition in the garage

Additional internal, external and USB sockets

Helm touch keyboards cover

Sink in UD pantry

Galley Ernestomeda finishings diff.: furniture doors lacquered matt Cachemire and countertop in white Lotus

Portals upholstery diff.: in leather Penelope Oggi Sand Quartz P3509

MD salon bow furniture diff.: full height furniture with doors in bronze mirror

Credit for the deletion of the bidet in the master and LD bathrooms

Master office layout diff.

Master cabin bed headboard and bed frame upholstery diff.

Chest of drawers in the master bathroom, at portside, replacing the bidet

Master WC area doors diff.: glazed glass doors

WC in the master and LD cabins diff.: mod. Geberit

Anti-mist treatment for the master bathroom mirrors

LD bathrooms washbasin diff.: on top wash basins mod. Foglio by Antonio Lupi

Waste bins in the LD bathrooms cabinets

LD cabins upholstery diff.

Crew dinette sink diff.: bigger rectangular sink

Two additional shelf in the crew mess, in place of the standard tv

SD wetbar diff.: in varnished teak, top in corian Bisque

Crew shower diff.: shower head in addition to the hand shower (3)

Construction

Built with unidirectional and multi-axial E-glass and fiberglass mat.

Hull, Deck, Superstructures and Bulkheads:

Structural layers: MAT and glass BIAx Local reinforcement inserts: marine plywood, brass

Fiberglass structural bulkheads: PVC sandwich + skin in glass Biax

Structural wooden bulkheads: Larifphon-laricross or similar, 44mm thickness (marine plywood, cork-rubber, polystyrene foam) Sandwich core: down tree (balsa)

Structure core: polyurethane foam, local reinforcements excluded

Internal structure:

Glass E: biaxial fiber at +/- 45°, 0, 90° for structures lamination and uni-directional fiber for platband

Main Deck

EXTERNAL

Aft gates (2) (stainless steel and plexiglass)
Aft (2) and bow (4) roller fairleads
Aft GRP and teak-laid bathing platforms with stainless steel cleats (2)
Boat hooks (3)
Bow locker with electro-hydraulic hatch
Bulwarks side doors (2)
Capstans (2) in cockpit docking cabinets at stern (2500W each)
Chain wash down with sea water
Cockpit armchairs (2)
Cockpit sink with hot and cold water (mooring station)
Concealed lighting on side decks
Covers for: cockpit table, armchairs and sofa, forward dinette, forward sunpad
Curtain rod for canopies (cockpit and part of both side walks)
Cylindrical fenders with covers with logo (8)
Deck laid with teak
Docking lines 130 mt
Dockside water intake at stern
Double mode transom system electro-hydraulic garage door and teak-laid on the inside
Electric anchor windlasses (2) (4000 W each) with controls at bow
Emergency escape from engine room (in cockpit storage) with waterproof hatch
Fairleads with stainless steel cleats (2 each side)
Fire hose outlets with sea water (3) (bow and side decks (2))
Fresh water outlets (3) for washing (bow and side decks (2))
GRP and teak bathing platform with electro-hydraulic up-down system
GRP sofa bench in the cockpit, with mobile back, convertible into a sun pad
Hatch teak covered, to close chain locker
Hot/cold water shower at stern
Housed life rings (2) one with rope and luminous buoy
Inter-com for maneuvering (5) (bow, cockpit, control room, engine room, stbd technical area) and megaphone on hard top
Leather fender tie bar on the bulwark (10)
Led spotlights in cockpit and sidewalks ceilings
Locker with hatch below the bow sunpad triangle
Mooring stations (2) in cockpit with storage for mooring lines
Natural teak on bulwark
Outdoor cameras in ceiling (4) (2 in cockpit, 2 in side walks)
Pool anchors 180 Kg (2) with chains 125 mt (2), diameter 14 mm with bar and markings every 25 mt
Port side staircase to the bow dinette (GRP and teak, courtesy lights and hand rail)
Refueling and water intake, with hatches, both in each side walk
Removable swimming ladder
Round fenders with covers with logo (6)
Side sponsons with teak floor
Small table in the cockpit
Spotlights at aft (2)
Spotlights at bow mooring area (2)
Stainless steel bow hawses (2)

Stainless steel bow staff with bell
Stainless steel cleats: stern (4) and forward (4)
Stainless steel deck hardware
Stainless steel support poles (2) in the cockpit
Stainless steel, teak-laid electro-hydraulic telescopic gangway with stainless steel manual handrails and remote controls (2)
Staircase to the upper cockpit, in the port side support (GRP and teak, courtesy lights and hand rail)
Storage at bow of starboard walkside
Storage in the starboard side support in cockpit
Sunpad in the bow triangle
Sunshade canopy with electrical roll-up over cockpit sofa
Warping line 100 mt
Waterproof speakers (2) in the fore dinette with amplifier, Airplay, party mode and volume control
Waterproof speakers (4) in the main cockpit with amplifiers (2), airplay, party mode and volume control (connection to the main deck salon)

SALOON

Aft glass door to cockpit with stainless steel frame in 3 parts (2 sliding, of which one automatic)
Air conditioning
Blu Ray DVD reader (region code DVD 2 and BD "B")
Cabinets with doors and shelves
Ceiling led lights
Drawer fridge
Electrically operated pleated curtain (aft glass door)
Electrically operated Roman blinds (2) on port side
Electrically operated Roman blinds (2) on starboard side
Fitted carpet on floating floor with soundproof lining
HDMI aux input
Home Theatre system with amplifier tuner (5+1), central server unit and Apple-TV
I-pad mini control system for entertainment
Living area: sofas and coffee table
Telephone
TV LED 'Smart TV' 55" with ceiling electric lift system
TV SAT receiver

DINING AREA

Air conditioning
Cabinets with doors, shelves and drawers
Ceiling led lights
Chairs (10)
Complete tableware for 12 people
Dining table
Electrically operated pleated curtain (2) (side glazing)
Fitted carpet on floating floor with soundproof lining
Fix lateral panoramic glazing on stainless steel frame in the dining area (port side)
Openable panoramic glass door on stainless steel frame (manual opening) in the dining area (starboard)

GALLEY LOBBY

Cabinet with doors and shelves
Ceiling led lights

Manual side exit door with electric lock/unlock

Microwave oven

Overhead cupboard with doors and shelves

Technical compartment with kitchen electric switchboard, under stairway to the pilot house Telephone

Vinyl floating floor with soundproof lining

GALLEY

Air conditioning

Cabinets with shelves and drawers

Ceiling led lights

Ceramic electric 5 ring cooktop with pan holders Dishwasher for 12

Electric oven

Extractor fan 230V with external outlet

Fridge 204 lt and freezer 72lt 230 V

Fridge-freezer "Side by side" 504 lt 230 V with icemaker Garbage compactor

Mini Hi-Fi CD-DVD system with tuner and loudspeakers (2) Overhead cupboards with shelves

Quartz resin counter top

Stainless steel sinks (2) with hot/cold water

Venetian blind (manual movement)

Vinyl floating floor with soundproof lining

MAIN DECK LOBBY

Air conditioning

Ceiling led lights

Fitted carpet on floating floor with soundproof lining

DAY TOILET

Air conditioning

Cabinets with shelves

Ceiling led lights

Ceramic electric WC

Ceramic washbasin with marble counter top

Electric ventilation fan

Emergency escape from lower deck Marble floating floor with soundproof lining

Mirror

Venetian blind (manual movement)

WC control panel with gauge (3/4 and full)

MASTER OFFICE AREA

Armchair

Bookcases

Desk with drawers

Fitted carpet on floating floor with soundproof lining

Roman blind and blackout roll-up blind (with electric movement)

Windows

MASTER STATEROOM

Air conditioning

Blinds and black-out roll-ups (electric movement)

Cabinet with shelves and drawers (port side)

Ceiling led lights

Concealed lighting under the bed
Desk and ottoman (in port side cabinet)
Digital safe
Double bed with mattress, pillows, bedspread and sheets
Drawers under bed (4)
Emergency escape to bow dinette
Fitted carpet on floating floor with soundproof lining
HDMI aux input
Home Theatre system with amplifier tuner (5+1), connection to central server unit and Apple-TV I-pad mini control system for entertainment
Leather headboard with led lighting
Natural ventilation under the mattress
Nightstands (2)
Reading lights (2)
Side windows Sofa (starboard)
Telephone
TV LED 'Smart TV' 49"
TV SAT receiver
Walk-in closet with sliding door, mirror, chest of drawers and shelves

MASTER BATHROOM

Air conditioning
Bathroom accessories
Cabinets with mirrored doors and shelves
Ceiling led lights
Ceramic electric WC and bidet (2, port and stbd side)
Ceramic wash basins with marble countertop (2, port and stbd side)
Coating natural wood bulkheads with lacquered
Electric extractor fan for bathroom and shower
Lockers with shelves
Marble floating floor with soundproof lining
Shower in the middle (glass doors, marble tray, marble bench)
Side windows with portholes
Towels set
Venetian blinds (manual movement)
WC control panel with gauge (3/4 and full) (2, port and stbd side)

Upper Deck

EXTERNAL

Ceiling led lights

Chairs (10)

Covers for sofa, tables and chairs in panoramic cockpit, dinette, tables and sunpad area at bow

Dinette at bow sofa bench with tables (2)

Dining table in panoramic cockpit

Fire hose outlet with sea water

Fresh water outlet for deck washing

GRP fully fitted cabinet (with hot/cold water sink, ice maker, storage) at port side

Sofa and coffee table in panoramic cockpit

SSB antenna (2)

Stainless steel flagpole

Stainless steel side and aft handrails

Stainless steel support poles (2) in panoramic cockpit

Staircase to the sun deck (teak and stainless steel, handrail, courtesy lights)

Steering positions (2) with navigation instrument and alarms on side decks with cover

Sunpad at bow with cushions (on top the locker hatch)

Teak laid deck

Waterproof speakers (4) with amplifiers (2), connected to the upper deck lounge, airplay, party mode and volume control

UPPER LOUNGE

Aft glass door to panoramic cockpit with stainless steel frame in 3 parts (2 manually sliding)

Air conditioning

Cabinets with doors and shelves

Ceiling led lights

HDMI aux input

Home Theatre system with amplifier tuner (5+1), connection to central server unit and Apple-TV I-pad mini control system for entertainment

Lounge area: "C" shaped sofa, coffee table, ottoman

Manual pleated curtain (aft glass door)

Manual Roman blind (6)

Side windows

Telephone

TV LED 'Smart TV' 48" with ceiling electric lift system

TV SAT receiver

Wooden flooring with soundproof lining

UPPER DECK LOBBY

Ceiling led lights

Wooden flooring with soundproof lining

PANTRY

Cabinets with shelves

Ceiling led lights

Electric ventilation fan

Fridge with drawer
Socket (230 V)
Vinyl flooring with soundproof lining
DAY TOILET

Air conditioning
Cabinet with shelves
Ceiling led lights
Ceramic electric WC
Ceramic wash basin with marble counter top
Electric ventilation fan
Fixed window
Marble flooring with soundproof lining
Mirror
Venetian blinds (manual movement)
WC control panel with gauge (3/4 and full)
PILOT HOUSE

Acoustic alarm for bilge (water level in garage, engine room and bow) in synoptic panel
Air conditioning
Automatic pilot control unit with compass indicator
Bookcase
Cabinets with shelves
Captain stand with foldable seat in stainless steel and leather
Ceiling led lights
Chart desk with nautical charts storage
Cigarette lighter outlet 12V
Clock, barometer, hygro thermometer
Electric panel for helm position/upper lounge
Electronic controls for engine clutch
Fire detection system control panel
Integrated dashboard in multi touch color display with the following functions, commands and navigation instruments:

- CCTV video sequencer
- Dimmer for navigation instruments lighting
- Electric control for searchlight
- Flaps angle indicator
- Gyrocompass indicator
- Integrated monitoring system
- Integrated navigation system with redundancy, main radar (64 nm), secondary radar (36 nm), chartplotter, GPS and echosounder
- Navigation instrument (Eco, Log and water temperature)
- Stabilizer fins control panel
- Trim tabs indicator
- Wind gauge
- Windlass control at bow
- Windscreen wipers (3) with washing system and timer
- Inter-com for maneuvering
- Lamp for radio and charting equipment

- Leather covered steering wheel
- Leather sofa with wood frame and drawers (3)
- Lights for night navigation
- Loudspeakers (2) connected to the captain's cabin mini Hi-Fi with separate volume control Magnetic compass
- Multifunction printer with fax
- NAVTEX weather receiver
- Portable GMDSS VHF (2)
- Power-assisted electro-hydraulic steering
- Protective external covers for front windscreen and side windows of helm position
- SART Transponder ACR PATHFINDER 3
- Side exit manual doors (2) with electric lock/unlock (pilot house walkaround)
- SSB/DSC transceiver
- Synoptic panel unit with acoustic and visual alarms
- Telephone
- Telephone interface GSM/Voice/Fax
- VHF transceiver (2)

Wooden flooring with soundproof lining

CAPTAIN CABIN

Air conditioning

Bed with mattress, pillow, bedspread and sheets

Ceiling led lights

Closet (hanger and mirror)

Desk and ottoman

Drawers under the bed (2)

Fitted carpet

Mini Hi-Fi CD system with tuner and loudspeakers (2)

Multifunction navigation instrument (Eco, Log and water temperature)

Natural ventilation under the mattress

Reading light

Venetian blind and black-out roll-up (manual movement)

Window

CAPTAIN HEAD

Cabinets with mirrored doors and shelves

Ceiling led lights

Ceramic electric WC

Ceramic washbasin

Electric ventilation fan

Lockers with shelves

Shower with glass door and wooden tray Towels set

Venetian blind (manual movement)

WC control panel with gauge (3/4 and full) Window

Wooden flooring with soundproof lining

SUN DECK

Ceiling led lights

Chaise longue (2)

Covers for sunpad, sofa, chaise longue and stools

EPIRB

Forward storage

Front and side windscreen in stainless steel and plexiglass

Gelcoat flooring with anti-skid

GRP fully fitted cabinet (with hot/cold water sink, grill, fridge and storage) and bar furniture

Hard top with lateral GRP supports

Hydromassage bathtub with constant temperature device, in the sunpad furniture at bow (with cover convertible into sunpad)

Liferafts for 20 people (2 x 10) with hydrostatic hook

Perimeter stainless steel railing

Sofa

Stainless steel support poles for hard top (2)

Stools in bar area (2)

Sunbathing area with cushions and storage on both sides of bathtub

Waterproof speakers (2) with amplifier, Airplay, party mode and volume control

HARD TOP EQUIPMENT

Acoustic alarm

Electric operated searchlight

Empty dome for symmetry to Sat TV antenna First antenna radar Open Array

GPS Antennas (2) + Emergency (1) Intercom speaker

Navigation lights

Painted stainless steel mast

Secondary antenna radar

Radome Stainless steel signal mast

TV antenna

TV SAT antenna

VHF antenna (3)

Lower Deck

LOWER DECK LOBBY

Ceiling led lights
Closet with shelves
Electric panel for lower deck Entertainment system main rack
Fire hose outlet with sea water
Fitted carpet with soundproof lining

VIP CABINS AT STERN (2)

Air conditioning
Cabinets with drawers
Ceiling led lights
Concealed lighting under the bed
Digital safe
Double bed (manually detachable) with mattress, pillows, bedspread and sheets
Drawers under bed (4)
Dressing/desk table with mirror, ottoman and drawers
Fitted carpet with soundproof lining
HDMI aux input
Hull window with openable portholes (2) in stainless steel
I-pad mini control system for entertainment
Leather headboard
Lisage blind and black-out roll-up (manual movement)
Loudspeakers (2) with amplifier
Media server system with Apple TV connected to central unit
Natural ventilation under the mattress
Nightstands (2)
Reading lights (2)
Telephone
TV LED 'Smart TV' 40"
Walk-in closet with mirror, cabinet with door and shelves

VIP BATHROOMS AT STERN (2)

Air conditioning
Cabinets with doors and shelves
Cabinets with mirrored doors and shelves
Ceiling led lights
Ceramic bidet
Ceramic electric WC
Ceramic wash basin with marble counter top
Electric ventilation fan for bathroom and shower
Hull window with openable porthole in stainless steel
Lacquered bulkheads
Marble flooring with soundproof lining
Shower (glass door and frame in stainless steel, marble floor, marble bench, lacquered walls and waterproof curtain)
Towels set

Venetian blind (manual movement)
WC control panel with gauge (3/4 and full)
FORE STARBOARD GUEST CABIN

Air conditioning
Beds (mattresses, pillows, bedspreads and sheets) (2)
Ceiling led lights
Concealed lighting under the beds
Desk and ottoman
Digital safe
Drawers under the beds (2+2)
Fitted carpet with soundproof lining
HDMI aux input
Hull window with openable portholes (2) in stainless steel I-pad mini control system for entertainment
Leather headboard
Lisage blind and black-out roll-up (manual movement)
Loudspeakers (2) with amplifier
Media server system with Apple TV connected to central unit
Natural ventilation under the mattress
Nightstands (2)
Reading lights (2)
Telephone
TV LED 'Smart TV' 32"
Wardrobe (hanger, shelves and mirror)
FORE STARBOARD GUEST HEAD

Air conditioning
Cabinet with doors and shelves
Cabinets with mirrored doors, shelves and light
Ceiling led lights
Ceramic bidet
Ceramic electric WC
Ceramic wash basin with marble counter top
Electric ventilation fan for bathroom and shower
Hull window with openable porthole in stainless steel
Lacquered bulkheads
Marble flooring with soundproof lining
Shower (glass door and frame in stainless steel, marble floor, marble bench, lacquered walls and waterproof curtain)
Towels set
Venetian blind (manual movement)
WC control panel with gauge (3/4 and full)
FORE PORT SIDE GUEST CABIN

Air conditioning
Cabinets with drawers
Ceiling led lights
Closet (hanger)
Concealed lighting under the bed

Digital safe
Double bed with mattress, pillows, bedspread and sheets
Drawers under bed (4)
Fitted carpet with soundproof lining
HDMI aux input
Hull window with openable portholes (2) in stainless steel I-pad mini control system for entertainment
Leather headboard
Lisage blind and black-out roll-up (manual movement)
Loudspeakers (2) with amplifier
Media server system with Apple-TV connected to central unit
Natural ventilation under the mattress
Nightstands (2)
Reading lights (2)
Telephone

Electric ceramic WC

Electric ventilation fan

Locker with door and shelves

Openable porthole in stainless steel Shower with plexiglass door

Towels set

Washbasin

WC control panel with gauge (3/4 and full) Wooden flooring

Technical Area

ENGINE ROOM

Air extractors with remote controlled emergency shut down (2)
Air inlets with separators and remote controlled emergency shut-down Aluminum anti-slip flooring
Auxiliary gen set
Day/night CCTV fixed colour cameras (2)
Diverter valves to allow engines to pump water from the bilge (2) Electro-hydraulic control unit for bow thruster
Emergency escape to the cockpit (watertight hatch and removable ladder) Emergency fuel transfer pump
Finishing panels in multi-layer light alloy sheet
Fixed fire extinguishing system (engine room) with manual activation Generator muffler and gas/water separator
Inspection lamp
Led lights
Main gen set
Racor pre-filters to main engines (2)
Smoke detector
Stainless steel foldaway washbasin with fresh water
Stainless steel handrails around main engines
Water filters for engine cooling system (2)
Water filters for generator cooling system (2)
Watermaker 180 lt/h

CONTROL ROOM

Air compressor with spray gun and spiral hose
Aluminum anti-slip flooring
Day/night CCTV colour camera
Electric ventilation fan
Fire hose outlet with sea water
FM200 fire extinguishing system
Hydraulic emergency wheel
Integrated monitoring system with touch-screen display Inter-com for maneuvering
Led lights
Main electric panels 400V / 230V / 24V
Rudder angle indicator
Smoke detector
Telephone
VHF dual station
Workbench with vice and tool set

TECHNICAL ROOM AT STARBOARD STERN

Aluminum anti-slip flooring
CCTV colour camera
Electro-hydraulic control unit for gangway
Electro-hydraulic control unit for garage door
Electro-hydraulic control unit for helm position
Glendinning shore power
Inter-com for maneuvering

Led lights

Transformer for shore power supply 70 KVA

BEACH AREA AND GARAGE AT STERN

Beach area with furniture with basin (hot/cold water) and storage (port side)

Ceiling led lights

Emergency bilge/fire extinguishing diesel pump (in storage)

Fire extinguishing system with sea water

Fixed hull window with manual

Venetian blind (port side)

Floodable hangar for tender

Fresh water outlet for washing

Natural teak flooring

Petrol gas detector (2)

Smoke detector

Storage at stern, port side

Tender launch hydraulic winch

Ventilation system with extractor fans

Walls covered with wood and laminate

Watertight compartment

Propulsion and Control Equipment

PROPULSION AND CONTROL

Hydraulic bow thruster (70 Hp)

Power-assisted hydraulic steering with emergency maneuvering

Shaft line transmission with elastic thrust bearing between shaft and reduction gearbox Silenced main engines exhausts

Stuffing box with dripless shaft seal, low maintenance

STABILIZING SYSTEMS

Stabilizer fins underway and zero speed

ELECTRONICS

AUDIO, VIDEO AND THE NET DTV HD systems

Integrated GSM and UMTS internet system

Local audio and video unit for external forward dinette and SD Local audio and video unit for MD salon, UD and five cabins Media server system with local units and party mode

Wi-Fi connection with access point (4)

COMMUNICATION

First radar antenna Open Array

Input lines fitted for SATCOM

Multifunction printer with fax

Portable GMDSS VHF (helm position) (2)

Router coastal communicator PD-LAN-WIFI-Internet for Fleet BB and/or VSAT connection Routing UMTS system

Second radar antenna Radome

SSB/DSC

Telephone interface GSM/Voice/Fax

Telephone switchboard

Telephones (11)

TV antenna

TV SAT antenna

TV SAT receiver (3) (saloon, upper lounge, master cabin)

VHF transceiver (helm position (2), flybridge helm position, crew dinette, captain's cabin e garage) (6)

MONITORING SYSTEM

Air conditioning system fan coil monitoring and control

Alarm, with database and current alarm, monitoring

Bilge pump system monitoring

Black/gray water tank level monitoring

CCTV monitoring

Electrical system (batteries, generators, shore power, electric panels) monitoring and control

High and low fuel level and water tank level monitoring

Lighting monitoring and control

Monitoring galvanic protection

Monitoring system with 15 "display touch-screen (3) (integrated in dashboard, system area, crew quarters)

Navigation lights monitoring

Outside doors and portholes monitoring

Smoke detection alarm monitoring

Water tank level monitoring

Weather data monitoring

CCTV SYSTEM

CCTV video sequencer control from integrated dashboard

Closed circuit surveillance system with colour cameras (8)

Day/night internal cameras (4) (in engines room (2), technical room and control room)

External CCTV cameras (3), in the cockpit (2) and side decks (2)

NAVIGATION

Automatic pilot control unit (helm position)

GPS Antennas (2) + Emergency (1)

Integrated navigation system with redundancy, main radar (64 nm), secondary radar (36 nm), chartplotter, GPS and echosounder

Multifunction navigation instrument (Eco, Log and water temperature) (2) in crew dinette and Captain's cabin

NAVTEX weather receiver

Wings control stations with instruments and alarms (2)

Systems

FRESH WATER SYSTEM

Dockside water connection

Fresh water outlets for washing (5) (bow, side decks (2), aft garage and upper deck)

Fresh water pump 400 V (2)

Hot water circulating pump

Structural fresh water tank (4000lt)

Water heater 100lt (2) 230V Watermaker 180 lt/h

BLACK AND GRAY WATER SYSTEM

Automatic gray water discharge system (interchangeable with black water)

Black water tank (1000lt) with warning light 3/4 and full

Electric automatic pump for black water tank discharge (interchangeable with gray water)

Electric system WC with fresh water flush

Gray and black water tanks washing system with sea water water flush

Gray water tank (1000lt)

Marpol discharge outlet for black water

FIRE EXTINGUISHING SYSTEM

Derivations sprinklers to water the sea (bow, side decks (2), hallway cabins lower deck, observation deck, systems area, crew cabins corridor)

Fire extinguishers located in each room/cabin

Fire extinguishing system with sea water (garage) with activation from the control room stairway

Fixed fire extinguishing system (engine room) with manual activation

Fuel vapors detector system (garage)

Pull handles in the engine room (engine fuel and generators shut-down, air inlet (4) and ventilation fan shut-off (2), activation of fire extinguishing system in engine room and systems area)

Smoke detector system (in all cabins, galley, dining room, saloon, helm position, upper lounge, garage, engine room and systems area) with main alarm in helm position

AIR CONDITIONING SYSTEM

Mediterranean air conditioning and boiler for winter heating

FUEL SYSTEM

Daily stainless steel fuel tanks (3100lt) with decanter and discharge

Fuel transfer pump 24V

GRP main structural fuel tanks (total capacity 32500lt)

Pipes in compliance of the class requirement

Racor filters to generators (2)

ELECTRIC SYSTEM

12V automatic battery charger (for genset battery bank)

12V gel battery dedicated to port genset starting

12V gel battery dedicated to stbd genset starting

230 V electric sockets (inside the boat)

230 V lighting system

230V / 400V distribution system ac 50Hz triphase + neutral, powered by the gensets or by the shore power 24 V

emergency lighting system
 24V automatic battery charger (battery banks for main engines)
 24V automatic battery charger (services batteries banks)
 24V automatic battery charger for emergency batteries
 24V automatic battery charger for radio batteries
 24V DC distribution
 24V DC distribution system supplied by service batteries
 24V gel battery bank for emergency
 24V gel battery bank for services
 24V independent gel battery banks (2) for main engines
 53kW port genset with soundproof casing
 53kW stbd genset with soundproof casing
 Automatic parallel system between genset with seamless transfer between genset and shore power Cathodic protection with zinc anodes
 Copper strip ground system
 Dock connector plug (20m) 100A 400V 3 poles + ground reel with Glendinning (local and remote control)
 Genset parallel battery banks breaker
 Lighting protection system
 Main electrical panel (in control room) and secondary electrical panels (internal areas)
 Main engines parallel battery banks breaker
 Manual batteries breaker (genset, emergency, radio)
 Manual engine batteries breaker, and remote switch for service batteries
 Shore power supply transformer 70 kVA
BILGE PUMP SYSTEM
 Auxiliary electric pumps 24V (7) (guests and crew area (3), stern, systems area, engine room(2))
 Bilge alarm in each compartment
 Centralized 400 V bilge pump system with electric pumps (2) and emergency diesel pump (bilge and fire fighting)
 Emergency bilge suction pipe (engine room) through engine cooling pumps
 Marpol connection for bilge oily water drainage

Safety Equipment

Ax
 Child life jackets (2)
 EPIRB ACR GLOBALFIX
 First aid kit
 Housed life rings (2), one with rope and 30 mt luminous buoy Life jackets (20)
 Life rafts for 20 people (2 x 10)
 SART Transponder ACR PATHFINDER 3
