

AZIMUT GRANDE 30M

The Azimut 30 M Grande has often been imitated but never quite matched. Righini's layout with the raised pilot house allows for a superb owner's cabin on the main deck as well as a much more generous saloon dining area with stunning panoramic windows. The interior is by the acclaimed designer Achille Salvagni and the very experienced and stylish owner has brought their own personal touches to create a unique feel. Boat perfectly maintained by professional crew.
