

CUSTOM LINE NAVETTA 33

ZIACANIA

Ziaccania is one of the best equipped and maintained Custom Line Navetta 33 on the market today. Originally she was built for Mr. Norberto Ferretti, the founder of the Ferretti Group. Ziaccania remains in an immaculate condition with haul-out and full service every year, thanks to her owner and 5 crew. This fine yacht has never been chartered and is very well been taken care of. With her tri-deck configuration and luxury Fendi interior will be your perfect cruising partner and treat you and your guests to an unrivalled experience on board of this superb yacht.

LAYOUT:

This naveta 30 is equipped with 5 double guest cabins, 5 bathrooms and a separate area for 4 crew cabins (2 double and 2 simple).

The Owner suite is located at bow and full-beam in the main deck.. The division of the flows between guests and crew has been skilfully organised, thanks to access from the galley to the crew area. The latter is separate to the guest cabins in the lower deck, which all have large open view windows. Lastly, the extraordinary innovations in the upper part of the yacht: the renewed sundeck and the lunch area on the upper deck, which features an original system of circular sliding doors making division of the various areas highly versatile.
