

FERRETTI 720

Shaped by architect Filippo Salvetti, who worked with Ferretti Group to devise the external design, this newest member of the fleet opens up a whole new way to experience the sea. The 720's remarkably ingenious solutions elevate the concept of cruising in luxurious comfort to new heights. It's about living the sea life in style, in your home on the waves, with all the comforts of a yacht of timeless elegance and a sensation of wellbeing like never before.

FERRETTI 720

LAYOUT:

Chic, elegant sophistication is the order of the day inside the 720, with a wide range of beautiful colours and finishes to allow you to create stunning bespoke look. The views from the saloon and owner's suite are just amazing, the size of the windows is simply astonishing, with cut down bulmarks for an uninterrupted view across the water. Down below are double suites for the owner and vip guest, plus two twin cabins sharing a bathroom, and a cabin at the stern for 2 crew.
