

FERRETTI 500

Breathtakingly beautiful, astonishingly comfortable, and personalisable inside with two alternative interior-design moods, the Ferretti Yachts 500 ushers in a new era for the brand. The brand new yacht combines nautical adventure with the domestic dimension in spaces and solutions of a comfort you'd normally expect only on rather larger craft. The overall effect is a family ambience that immerses guests in a sensation of total wellbeing.

LAYOUT:

There is something very satisfying about stepping inside a Ferretti. It's the combination of elegant styling, beautiful materials, exquisite detailing and an immaculate finish that together create a unique sense of classy, secure calm. The superb outlook from the saloon gives an irresistible wow factor. And there's a similarly impressive outlook from the owner's suite. For guests or family there is the option for either a VIP suite forward plus a twin bunk cabin, or a more spacious VIP suite and no third cabin.
