Main generator hours	447
Second generator	ONAN 17.5kW 230V 50Hz
Second generator hours	452
Fuel tank	5600 litres
Water tank	840 litres
Grey water tank	207 litres
Black water tank	330 litres
Charge batteries	Yes
Inverter	Yes

Description per area

General description

For an open-top powerboat, the luxurious accommodation on JULEM is just remarkable. As well as a big, spacious owner's suite in the centre of the boat, a VIP double guest suite up forward and a twin-berth guest suite, there's also a lower deck saloon and galley, plus separate crew quarters towards the stern.

With the top down, JULEM is a magnificent and seriously glamorous open powerboat for enjoying sunny days on the water. Her huge, luxuriously appointed open cockpit as an absolute delight, offering as much open-air space as you might find on a typical 100ft superyacht. And when you need shelter from a shower, or from the sun, just press a button and the hardtop lifts off the foredeck and swing back into place over the cockpit.

Optional list

Optional list

Covers

- Bimini Top
- Cockpit Cover

Electrical Equipment

- Shore Power Inlet
- Generator
- Inverter

Electronics

- Depthsounder
- Radar
- Log-Speedometer
- Radar Detector
