PERSHING 9X

LAYOUT:

This hull number #14 features the standard EMEA layout of the Pershing 9X model with 4 cabins and 5 toilets in lower deck, separated galley and crew quarters astern. This model belongs to the SportFly category and offers 3 solarium areas at stern, bow and at upper deck. A large exterior dinig table and sofas on the cockpit, followed by a large and fully equipped saloon will welcome you on board and thanks to the iconic "disappearing" window you will be able to unite both areas with just one button. The garage offers the possibility to store a jet tender and a jet ski as well as some inflatable toys.

NAVIGATION:

Full SIMRAD Navigation with 24" monitors
AIS System with receiver SIMRAD NAIS400
NAVIOP Double Check package
NAVIOP Mobile package NAVIOP Power Efficiency package
Antenna Sat KV8 8 (diff from standard)
