Main generator hours	549
Second generator	ONAN Generator 27kW
Second generator hours	550
Fuel tank	8000 lt
Water tank	1200 lt
Charge batteries	Yes
Inverter	Yes

Description per area

General description

With the sensational Riva 88 Domino and the stunning Riva 76 Perseo, Riva showed that they truly have the concept of the sportfly motor yacht down to a fine art, with a distinctive Riva flair that no-one else could ever match. Well, now they have gone even better, with this absolutely gorgeous Riva 88 Folgore, surely one of their most beautiful designs ever.

"This is the one of the most highly spec'd Riva 88 Folgore's I have seen. Very lightly used, immaculately maintained and having recently completed her 2022 season service works, she is ready to sail. M/Y RIGHT NOW is finished in a custom metallic golden grey hull with white superstructure which really needs to be seen - stunning. Her bespoke colour scheme beautifully defines those sublime Riva contours. I would highly recommend this Riva 88 Folgore".

MICHAEL NEWTON-WOOF Senior Broker

Systems
