LAYOUT: On the top deck, the central helm leaves space for a full seating area and table in front of it, in addition to the sunbed at the rear. At the stern, a new up/down hydraulic bathing platform not only creates the feel of a poolside for a much nicer bathing experience, but it also enables a RIB and jet-ski to be launched effortlessly down a tilting ramp from their side-by-side storage in the garage.

The owner can always expect incredibly special treatment aboard a Riva, and the owner's suite on the 88 Domino Super is indeed utterly superb. Extending right across the full 18ft beam, the main area is huge, with adjacent spaces for the en suite bathroom, walk-in wardrobe, and dressing areas. Huge hull windows transform the feel of all the lower deck cabins. There are 3 further suites plus crew quarters.

NAVIGATION: Compass

- Furuno plotter / radar
- Master screens with Furuno navigation center
