[C TENDER]

Realizzate con esperienza in ogni dettaglio, le imbarcazioni C-Tender sono da sempre sinonimo di qualità, versatilità e lusso. Tutto rigorosamente Made in Italy.

Con la stessa filosofia e un design innovativo il cantiere presenta il nuovo C-Tender 53.

Questo nuovo walk around, caratterizzato da linee iconiche e distintive, permette ad ogni armatore di possedere un oggetto unico e completamente realizzato intorno a lui, come per i migliori abiti sartoriali.

[**PERFORMANCE**]

La realizzazione con materiali evoluti, un completo controllo del peso e una meticolosa ricerca idrodinamica sulle forme di carena garantiscono al nuovo C-Tender 53 grandi performance e un'elevata affidabilità in navigazione.

[**DESIGN**]

Con i suoi 16 metri di lunghezza e 5 metri di larghezza il nuovo C-Tender 53 sorprende per gli spazi di bordo e le lussuose rifiniture Made in Italy.

[**COMFORT**]

Lo studio degli spazi di bordo, dell'ergonomia di ogni elemento, unito alle generose dimensioni dello scafo, permettono di avere un comfort a bordo fuori dal comune.

[**KEEP YOUR HEART OPEN.
EXPECT NOTHING LESS.**]
