

PERSHING

The background of the entire page is a high-quality photograph of a boat, likely a speedboat or a small yacht, viewed from a low angle looking towards the stern. The boat's hull is a light, metallic blue-grey color. In the background, two large, dark, dome-shaped structures, possibly radar or searchlight housings, are visible on the deck. A flag with vertical stripes of green, white, and red is flying from a pole between the domes. The boat is on a body of water, and a distant shoreline with some buildings and a green structure is visible under a clear blue sky. The overall image has a soft, slightly desaturated aesthetic.
