43 SPORT EXPRESS

The Hatteras 43 Sport Express is an exceptional express cruiser. It is a proven performer in the proud fleet that hails from the world's premier yacht builder. This boat can deliver top speeds and withstand the worst the sea can offer, returning the favor with a comfortable, stable ride. And it is remarkably adaptable to your personal boating passion.

The 43 SX is available with three different layouts which change its personality from a playful sun seeker to a serious sportfisherman. And it can even be equipped to accommodate both. But no matter what pleasures you pursue, the

The comfortable choice, no matter what lifestyle on the water you choose.

Hatteras 43 SX will be more than a cruiser to take you fishing or cruising. Its large, beamy design adapts easily to take you on an extended cruise and into daytime or evening entertaining.

The open bridge deck of the 43 SX is available in three seating options.

The standard option features L-shaped seating with molded fiberglass backs and removable cushions. Sport boat style seating provides upholstered seating configured in either an L-shaped or curved design, both of which are freestanding and mounted on a stable fiberglass base.

THE INTERIOR CABIN OF THIS EXPRESS CRUISER OFFERS MANY OF THE AMENITIES FOUND IN THE SALON OF A MOTOR YACHT. THESE INCLUDE AN ENTERTAINMENT CENTER WITH 20" TV, AM/FM STEREO AND CD PLAYER, A HI-LO TABLE, DRY BAR, AND AN L-SHAPED LOUNGE.

CULINARY MASTERPIECES AWAIT YOU IN THE GALLEY, EQUIPPED WITH A COOKTOP, MICROWAVE/ CONVECTION OVEN, DC REFRIG- ERATOR WITH FREEZER, STAIN- LESS STEEL SINK, AND DURABLE MOLDED COUNTERTOPS.

The helm station is located to starboard on the bridge deck and has been ergonomically designed for excellent visibility at every compass point and to accommodate a full array of electronic equipment in the console. Aft of the station, a built-in wet bar with refrigerator and icemaker completes the bridge deck options.

If you're into big-game fishing, the cockpit of the 43 SX can be equipped for the most competitive among you. There is 115 square feet of space back here, and a flush-in-deck removable fish box and freshwater wash down are standard. And you can optionally select a bait and tackle center with sink and storage to outfit the 43 SX as a true sportfisherman.

Of course, if you like to troll for social leads, the cockpit can be equipped with sport boat style seating in place of the tackle center.

Stepping into the cabin of the 43 SX, you almost forget that you're aboard an express cruiser. Here, thanks to a beam measuring more than 14 feet, you find a salon-like setting in the cabin.

Two interior layout choices are available to you. The standard arrangement places the head to port and a com-

fortable L-shaped lounge with a hi-lo table and storage to starboard. The alternate arrangement moves the head aft and to starboard, which creates space for a U-shaped dinette on the starboard side, and bench lounge seating on the port side. Both seating areas convert to spacious berths. The lounge seating becomes full-length upper and lower berths, while the dinette becomes a double berth.

With either layout, cabin amenities include an audio/video entertainment center and a fully-equipped galley. The galley has everything you need at hand to create your favorite cuisine—a two-burner cooktop, sink, refrigerator/freezer and microwave/convection oven.

The forward master stateroom features a tapered queen berth on the centerline, ample storage and a roomy cedar-lined closet. The standard

THE FORWARD STATEROOM HAS A QUEEN BERTH WITH STORAGE UNDERNEATH, PORT AND STARBOARD NIGHTSTANDS, AND A SCREENED OVERHEAD HATCH WHICH CREATES A SKYLIGHT EFFECT IN THE MASTER QUARTERS.

THE HEAD HAS THOUGHTFUL TOUCHES THAT YOU'LL ENJOY. STORAGE CABINETS WITH MIRRORED DOORS, A RECIRCULATING FAN WITH AIR FRESHENER, AND — IN THE STANDARD ARRANGEMENT — PRIVATE ACCESS FROM THE STATEROOM.

THE HULL OF THE 43 SX IS FIRST PAINTED WITH TWO GELCOAT LAYERS, ABOVE AND BELOW THE WATERLINE. THEN, BELOW THE WATERLINE, THE BOAT IS GIVEN ANOTHER LAYER OF BLISTER-RESISTANT GELCOAT, AND A COAT OF DURABLE IMRON® PAINT TOPSIDES.

VISIBILITY AND CONTROL ARE KEY FEATURES AT THE HELM OF THE 43 SX. THE CONTROL STATION IS EQUIPPED WITH ALL NECESSARY SWITCHES AND A DIMMABLE LIGHTED INSTRUMENTATION. AND THERE'S SPACE FOR A VAST ASSORTMENT OF ELECTRONICS.

OPTIONAL FISHING ACCESSORIES ABOARD THE 43 SX INCLUDE A COCKPIT BAIT CENTER WITH STORAGE, SINK AND CUTTING BOARD, A DROP-IN FREEZER, ROD HOLDERS AND COCKPIT COAMING PADDING.

arrangement includes private access to the head, which—with either layout—is outfitted with a stall shower, mirrored cabinets and a one-piece molded lavatory.

No matter which cockpit arrangement you choose, the engine room of the Hatteras 43 SX is easily accessible through a centerline hatch. Below, in its well-organized, roomy mechanical station, the 43 SX houses twin Detroit Diesel 6V-92TA engines, rated at 535 SHP each.

In all, you'll see the 43 SX is a superb express cruiser that provides all the performance and flexibility of an open cruiser with the unmatched engineering and construction advantages you expect to find aboard any boat worthy of the Hatteras nameplate.
