

PilotTM 34

Up to 650 miles
range at 7 knots!

SEE BACK COVER FOR DETAILS.

Mainship[®]
TRAWLERS

Top: The traditional salon features a standard 15" flat panel TV with CD/DVD/Stereo, a raised dinette with plenty of seating, and durable Everwear teak and holly laminate flooring.

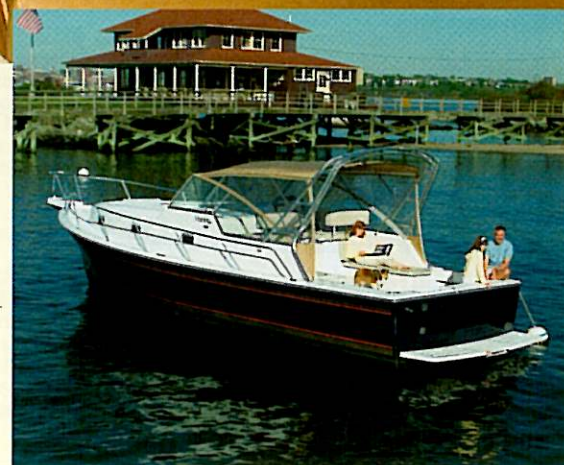

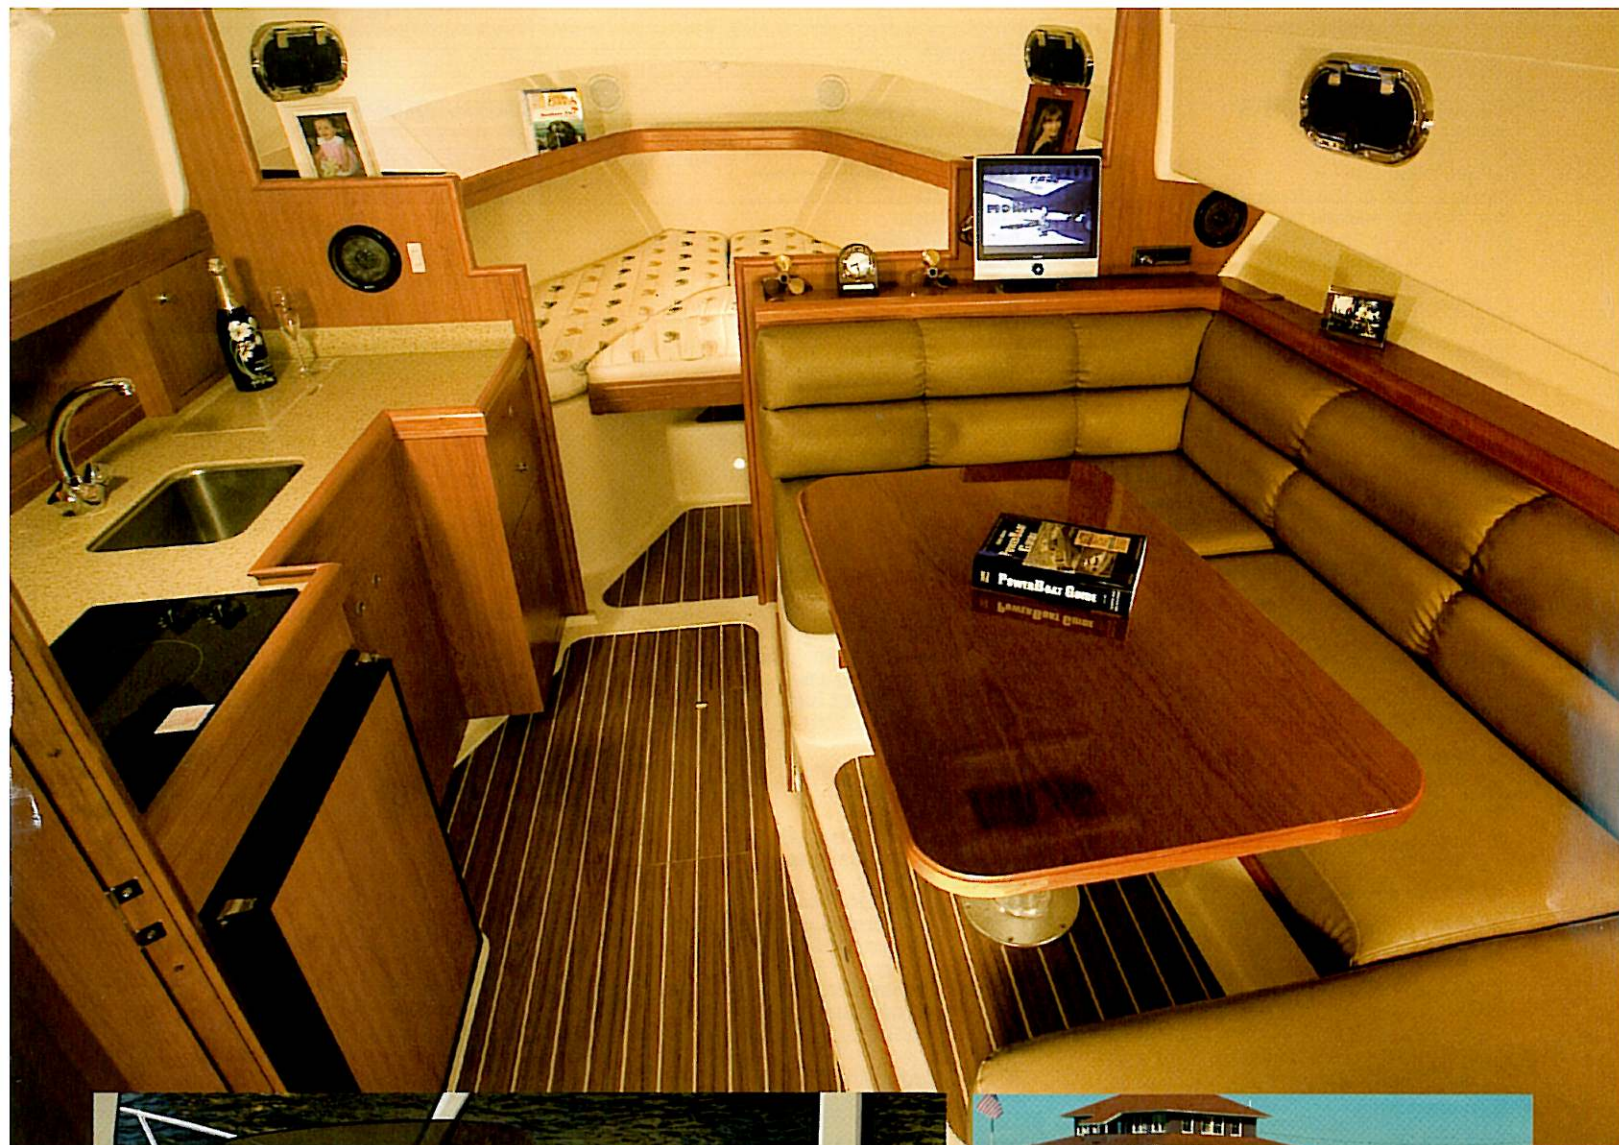

Far Left: A full chef's galley awaits you with 2 burner stove, refrigerator/freezer, microwave, and stainless steel sink. All these features are covered in genuine fiddled Corian®.

Above Left: The fiberglass wet head is functional, easy to clean, and features a great deal of storage.

Below Left: The master stateroom V-berth is roomy and comfortable.

Top: By removing the forward bulkhead, the resulting open salon version provides all the comfort of our traditional salon while adding a more generous, expansive feeling.

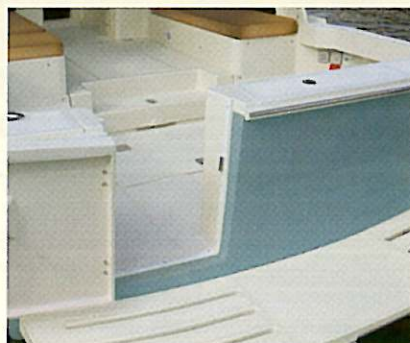

Above Left: The helm of the Pilot™ 34 provides plenty of real estate for your electronics, and tilts out for easy servicing.

Far Left: The engine room is well-laid out and provides room enough to work while performing maintenance.

Left and Above: The standard swim platform affords easy entry to the spacious cockpit through the convenient transom door. Optional color hulls are shown.

Garmin electronics are available on all 2009 Mainship trawlers.

GARMIN™
