

A photograph of the deck of a luxury yacht, the Warren Yachts S87. The deck is made of light-colored wood and has a stainless steel railing. Three people are standing on the deck, looking out at the ocean. The yacht's white hull and a large curved window are visible on the left. The ocean is a deep blue with whitecaps, and the sky is blue with scattered white clouds. The sun is reflecting off the water's surface.
