
PRINCESS 50

PRINCESS 50

The Princess 50 is a powerful and agile craft with extraordinary volume for her size.

The exterior space is equal to many larger craft with a large teak-laid cockpit, wide side decks and transom platform large enough to accommodate a tender.

The flybridge provides the perfect daytime entertaining space with generous seating and a large sunbed aft.

The attention to detail and standard of finish is of the highest standard throughout. Large windows wrap around the main deck filling the saloon with natural light and ensuring excellent visibility for the lower helm.

Located on the lower deck the galley is well equipped and accommodates a full height fridge freezer. Also contained in the lower accommodation are three spacious guest cabins.

The owner's en-suite stateroom is situated amidships where it enjoys the full beam and features panoramic windows to both sides filling the cabin with natural light.

Owner's Stateroom • Forward Guest Cabin • Starboard Guest Cabin
