■ Additional Info/Altre Informazioni

Inspired by the philosophy of a sports vessel, the Maori 64 brings together practicality and style with an elegant design that captures Marco Ciampa's minimalism.

Its plunging wall structure, paired with sleek clean lines stimulate a close connection to the water, making it a manifestation of the brand's vision.

The yacht's identifiable hardtop cover provides a shady spot on deck where one can cool off after enjoying some rays on the spacious sundeck beneath which is a garage where a 2.80m waterjet tender may fit.

DuPont metallic paint with main deck teak "Comilegno" 10mm thick.
