Accommodation/Interni

Large living area with a decor based on a pleasant contrast between light wood and dark shades of leather and wengé flooring. The finishes are in oak, while walls and ceilings are covered with natural leather. A dining table faces a leather sofa served by a small table. The wheelhouse, continuing towards the bow, provides three comfortable and spacious seats.

The lower deck houses the sleeping area, with three cabins and, in addition, an original relaxation room, which can be transformed into a fourth cabin or in an environment dedicated to the games of any children on board or could become the owner's office. On the other hand also this environment is flanked by a bathroom, defined as a service.

The amidships owner's double cabin is full-beam, a corner vanity on one side and a sofa on the opposite side. A walk-in closet and a large bathroom.

Continuing towards the bow we meet the relaxation room, which has already been mentioned, then there is the triple guest cabin (to the two separate beds can be added a third), equipped with a personal bathroom. Further ahead is the VIP cabin and has a double bed, a sofa and a bathroom.

At the stern, however, we find the crew area, which has at its disposal three beds divided into two cabins, near the large white and gray kitchen with all appliances.

Zona giorno composta da un ampio ambiente con un arredamento basato su contrasto tra il legno chiaro e le tonalità scure di pelli e pavimento in wengé. Le finiture sono in rovere, mentre pareti e soffitti sono rivestiti da pelli naturali. Un tavolo da pranzo fronteggia un divano in pelle servito da un tavolino. La timoneria, proseguendo verso prua, prevede tre comode e ampie sedute.

Il ponte inferiore ospita la zona notte, con tre cabine e, in più, un'originale sala relax, che all'occorrenza può essere trasformata in una quarta cabina o in un ambiente dedicato ai giochi di eventuali bambini a bordo oppure potrebbe diventare l'ufficio dei proprietari. Per altro anche questo ambiente è affiancato da un bagno, definito di servizio.

La cabina armatoriale matrimoniale a mezza nave è a tutto baglio, angolo vanity da un lato e divano su quello opposto. Una cabina armadio e un grande bagno.

Proseguendo verso prua incontriamo la relax room, di cui si è già detto, poi vi è la cabina ospiti tripla (ai due letti separati può esserne aggiunto un terzo a pullman), provvista di bagno personale. Ancora più avanti c'è la cabina vip e dispone di letto matrimoniale, divano e bagno.

A estrema poppa, invece, troviamo la zona equipaggio, che ha a sua disposizione tre posti letto divisi in due cabine, vicino alla grande cucina bianca e grigia provvista di tutti gli elettrodomestici.
