

sarriaco 85

Sarnico 58 rappresenta al meglio la filosofia del cantiere: una barca rifinita con grande cura soprattutto nei più piccoli dettagli; interni lussuosi; ottime prestazioni con propulsori tradizionali; uso di materiali di altissima qualità; attento studio della carena per garantire eccezionale stabilità in ogni condizione di mare. Questa barca nasce per appassionati intenditori e viene considerata uno "status symbol". Il layout, che prevede tre ampie cabine con bagni en-suite, viene esaltato da un accogliente pozzetto, ampi prendisole ed una grande piattaforma di poppa, che permettono di godere al meglio la vita al mare e gli sport acquatici.

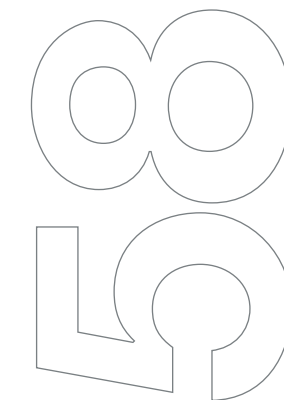

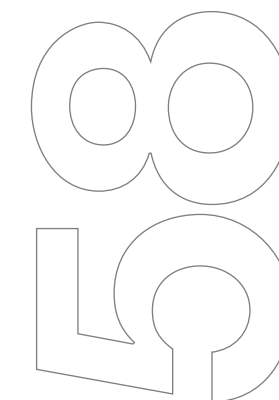

osmium

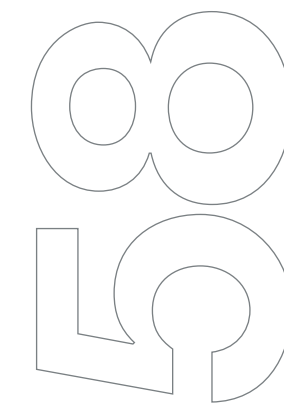

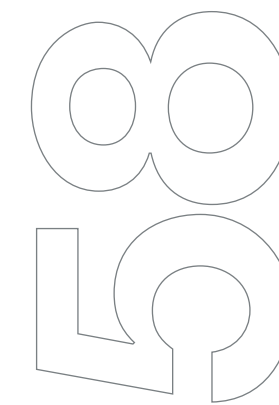

Sarnico 58 represents the best of the shipyard's philosophy: a boat finished with the utmost care, especially in the smallest details; luxurious interiors, speedy performance with traditional propulsion; use of the highest quality materials and particular study of the keel to guarantee exceptional stability in every sea condition. This boat is created for enthusiastic connoisseurs and is becoming a status symbol. The layout, which foresees three huge cabins with en-suite bathroom, is enhanced by spacious sunbathing areas and a huge swimming platform, which allows one to enjoy to the full sea life and water sports.
