Fly Away is a Uniesse 65 Sport with aggressive lines and spacious and comfortable interiors.

The elegant living room, extremely airy thanks to a minimalist decor and light tones with touches of blue, is perfect both for relaxing in front of the TV and for dining indoors on colder evenings. Moreover the sliding hardtop allows to uncover the area.

The lower deck houses the sleeping area, divided into three cabins including a full-beam Master stateroom with a large walk-in closet, TV and sofa; a VIP suite, also full beam, and a twin cabin, all with private bathroom. The twin cabin can easily be converted into a double suite.

The outdoor spaces consist of the lounge area on the aft deck, easily convertible into outdoor dining area, and in the suggestive solarium on the bow, from which you can admire views of unparalleled beauty at 360 degrees.

Incredibly performing, it reaches 35 knots at maximum speed, Fly Away allows its guests an extremely dynamic holiday

## SPECIFICATIONS

# CREW PROFILE

**Captain:** Luca Bonuccelli, Italian, 33 y.o.

Luca is a very smart and professional Captain with over ten years' experience on board private and charter yachts.

Born in Viareggio, he's always had an aptitude for the sea, in fact he chose to attend the Nautical institute where he graduated, and later to embark as a deckhand on a private yacht. After two years he was hired on a larger yacht as a bosun where he spent the following 6 years; contemporarily he took all the necessary qualifications and became a Captain, joining the fleet of Fly Away in 2018.

Trustworthy, dynamic and a great problem solver, Luca is fond of football, ski, cycling and tennis, and he's also a quite skilled chef with a preference for seafood dishes. Moreover, he's the one to ask for wine suggestions: he completed a basic level of sommelier course and he loves Italian wines! Italian mother tongue. Luca also speaks English fluently.

**Deckhand:** Marco Nutti, Italian, 38 y.o.

Marco is a very dynamic deckhand, fond of sports and of the sea. He has been working for a long time as a carpenter until, one day, he decided to completely change his life and moved to the yachting industry. For the first few years he was in charge of maintenance of a sailing yacht but after he became part of the crew. Since then he never stopped working as a deckhand on board both private and charter yachts and in 2019 he will be a very welcomed addition to Fly Away's crew.

Marco is an incredibly active person: he loves motocross, hiking, biking, and he has a true passion for life in the open air and animals; in fact he has two dogs and a cat that he considers part of his family. Italian mother tongue, he also speaks a basic English.
