Myosotis is a beautiful 20mt Sailing Yacht launched in 2010, with a steel hull complemented by teak decks that combines ease of sailing whilst maximizing performance and aesthetics. This luxury yacht is completely furnished with warm wood and neutral toned fabrics and is specifically designed for guests' maximum comfort.

She can accommodate up to 6 guests in 3 comfortable cabins: a Master Suite, a VIP Suite and a Twin cabin with bunk beds. All the cabins are on the lower deck and are equipped with private bathroom and air conditioning.

On the upper deck the salon offers an ample covered dinette, two sofas, an extendable table and a cosy TV area that features a 42 flat screen television.

The outside stern cockpit offers an alternative alfresco dining area with two large benches and a folding table. The access to the sea is extremely easy: two comfortable staircases lead to a sea-level retractable swim platform. Her elegant sundeck, equipped with soft sun pads, offers ample space to relax and enjoy the cruise.

A watermaker of 130 liters/hour ensures fresh water even during long cruises. Myosotis is equipped with two diesel engines and has a total cruising consumption of about 40 liters/hour. Its sail system is perfectly working and offers great fun to sail lovers. Let this beautiful yacht become your holiday house and sail to the discovery of the wonderful Mediterranean Coasts.
