Splendid example of the Italian shipbuilding industry, the Nafisa is a classic "Gentlemen's yacht" with its spacious inside and outside, also perfect for events. Rebuilt in 1995 is in excellent condition also thanks to a major refit in 2015, including complete hull and superstructure painting. New furniture and tapestries, new sofas in the saloon, and new parquet. She offers excellent accommodation for 10 guests in a magnificent Owner's stateroom including full width, one VIP guest's suite, 2 spacious twin cabins en-suite and 1 new double cabin located forward. The great open spaces of Nafisa make it very cozy for its category, which favors a peaceful and relaxed relationship with the sea. On the fly bridge deck, spacious and equipped, there is a dining and relaxing area consisting of two semicircular sofas for up to 12 people, with a large table, behind a large and comfortable sofa and a fantastic Jacuzzi for moments of extreme relaxation. On the aft deck a dining and relaxing area, sheltered from the flying bridge, also with a large oval table, behind another sofa will be comfortable to sunbathe in peace and quiet.
