Santa Lucia is a 26 meters stylish motor sailer of recent construction, in excellent condition thanks to frequent upgrades. In 2012 the hull has been completely re-painted in acrylic, new table in the salon and the new bigger aft deck table, electric winches and dinghy 4,80mt. Santa Lucia is set to sail in complete safety, ensuring highest quality standards, made with fine woods and furnished in a modern style, with advanced facilities. Both the hull and the interior, treated in detail by skilful craftsmen, were made entirely of mahogany. In the bright living room there is a comfortable semi-circular white sofa that can accommodate 8 people, a very large dining table, a bar counter where you can prepare sparkling drinks and there is also a steering console. At stern, Santa Lucia offers also a well equipped galley. Her accommodations are so divided: two double cabins and two twin cabins, all with en-suite facilities, air conditioning, stereo system, plasma TV and ample space for wardrobes. The outside of Santa Lucia has many areas dedicated to relaxation where you can sunbathe on comfortable cushions; to the aft we can find a sunbathing area and a large table where you can dine under the stars and we still find at bow another area where you can relax on a comfortable sofa or other cushions.

SANTA LUCIA

Captain Felice Calabrese, Italian, 40. y.o.

Experienced captain operating in both private and charter yacht industry, Felice sailed all over Mediterranean, Aegean sea, Caribbean, Red sea and Indian ocean.
