Shangra is a beautiful 26,6 meters navetta featuring a classic and elegant design.

Access from the main deck goes through a beautiful outdoor dining area, and then continues into the main salon with a lounge area including sofas and a TV and, further, a separate indoor dining area. The kitchen is really wide for a yacht of her size and allows the crew to prepare elaborate culinary creations and to perfectly manage the refreshments service.

The lower deck houses the sleeping area that is divided into: a master cabin with a large double bathroom; a VIP suite with private bathroom; one double cabin with separate beds, all cabins are equipped with ensuite facilities. An additional fourth cabin with pullman beds is available only upon request and for special occasions. The most enjoyable outdoor area of the yacht is definitely the sundeck, equipped with solariums, an additional outdoor dining option for 12 and a kitchenette with wetbar and grill.

Thanks to high quality Naiad stabilizers, Shangra guarantees a quiet and pleasant cruising.

Captain - Fabio Alessandrini, Italian, 53 y.o.

Fabio's adventure begins at the age of twenty, when he embarked for the first time as a skipper on board a private yacht, an experience that makes him discover how his great passion, the sea, could really become a career. After a period spent as a Base Manager of a charter company, Fabio soon got back at sea as a Captain aboard several private and charter yachts, exploring much of the Mediterranean and beyond.

Divemaster for pleasure, his knowledge of the sea is comparable only to that of gastronomy, another of his great talents, that he decided to cultivate by opening an Italian restaurant in Brazil where he spends most of his time when he is not at the helm of a yacht. Determined, precise and professional, Fabio masters great mechanical and hydraulic skills and keeping the yacht in perfect condition is among his priorities as Captain.
