370000 € inc VAT

Other informations

Whether judged on accommodation, styling or speed, the V48 sets a new standard for her class.

The cockpit is fully equipped for entertaining. Cockpit covers can be positioned for complete enclosure, as a bimini sun shade, or completely open, or there is the option of an electrically operated sunroof. A garage beneath the aft sunbed provides stowage for a tender or wetbike.

The roomy saloon incorporates an all-electric galley. Both the double master cabin and full-beam twin-berth guest cabin have en-suite bathrooms with stall showers. For occasional guests, the saloon sofa converts into a double berth.

With her long-range cruising potential, high maximum speeds and outstanding sea keeping the V48 offers a stylish solution to all weather boating.
