- Engine and generator sea water strainers with S/S cocks, brass fittings and chromed brass filters
- Chromed brass through-hulls with S/S cocks
- Electronic engine controls for throttling and reversing
- Corroding anodes for cathode protection

ELECTRICAL

- 220 V DC 8 Kw sound-proofed diesel Generator, with oil filter, Acqualift muffler and start/stop control from the dashboard, provided with own starting battery
- Air conditioning system for temperate climate in each area under deck
- Electric 13 gallons water heater 220 V AC
- Two banks of free batteries, 24 V. DC, 324 A/h, for engines starting and for general appliances

Overall length	ft.	55' 8"
Beam maximum	ft.	15' 6"
Draft	ft.	3'
Fuel capacity	gal.	660
Fresh water capacity	gal.	158
Displacement	lbs.	39600
Passengers		12

Engines:

Volvo Penta D12 800 EVC - 800 Cv x 2
CATERPILLAR C18 - 1014 Cv x 2
MAN V10 1100 - 1100 Cv x 2

Propulsion:

Arneson Drive ASD 11
Arneson Drive ASD 12B1L
Arneson Drive ASD 12B1L

- Batteries breaker and parallel switch
- Battery charger on 220 AC, 40 A/h for battery recharging from shore power outlet or generator (1)
- 50 A/h Shore power outlet (1) with cable
- Main electric switchboard with gauges and instruments, magnetothermic switches and generator start/stop control
- Engine room located connection box with fuses Outside driving station dashboard with:
- Engine instruments indicating
- RPM, water temperature, oil pressure, gear oil pressure
- Engine alarms and warning lights
- Engine start-stop push-buttons
- Oil and water level gauges
- Trim-tabs joysticks
- Trim-tabs indicators
- Trim indicators
- Rudder angle indicators
- Windlass control
- Trim-tabs controls
- Trim controls
- Navigation lights control panel
- Engine hatch opening control
- Dashboard instruments lights
- Bilge pumps start/stop manual control
- Windshield wipers and sprayers control
- Horn control
- Water in fuel alarm

- Bilge water high level alarms
- Radar arch inserted lights (4)
- Navigation lights
- Horn
- Electrical bonding system to all metallic parts
- Inside and outside stereo system
- Main salon TV LCD with DVD, pre arrangement for I-POD Connection
- Windshield wipers with sprayers (2)

PLUMBING

- Independent Vacuum Flush toilet systems (2)
- Every faucet with hot and cold water mixer
- Grey water system with fiberglass holding tank and electric sum Pump - automatically and manually controlled
- Fresh water inlet system from shore

COCKPIT

- Divan with cushions
- Two-seats pilot seat with cushions and storage lockers
- Aft sundeck cushions
- Table with additional over-placing dining top
- Wet bar with two drawers fridge, sink, hot and cold water, grill, trash can, 220 V AC
- Hot and cold shower outside abaft

- Sliding companion door with lock and windows
- Stern fiberglass swimming platform with swimming ladder

INTERIORS

- Wood floor in salon area
- Carpet floor in cabins
- Walls covered with vinyl and wood
- Fiberglass bathrooms
- Wooden doors
- Ceilings in vinyl and lacquered wood
- Furniture and interior finishings in wood
- Upholsteries for settees, curtains, bedspreads, pillows
- Companion way steps with carpet

SALON

- Divan with Fabric coverings, removable cushions and lockers
- Electrically adjustable central table with additional removable top
- Pouf (2)
- TV LCD and DVD, pre arrangement for I-POD Connection
- Curtains
- Porthole (1)
- Opening hatch on the ceiling
- Wall cabinets with doors and electrical panel inside

GALLEY

- Basic furniture provided with: Cabinets, doors, drawer with cutlery location, sinks, hideaway faucets, electric stove with 2 burns, marble-like on counter top

- Wall cabinet with doors, light on burns and Combi microwave
- Cabinet with 270 lt, 220 V refrigerator and freezer
- Porthole (1)
- Venetian blind

MASTER STATEROOM

- Wardrobes (2) with dress hangers, door, inner lights and shelves
- Side cabinet with lower shelves
- Liftable double bed with 2 drawers and storage area underneath
- Spring mattress with pillows and bedspread
- Side curtains with blind
- Porthole (2)

MASTER BATHROOM

- Lacquered wood cabinet for vanity, mirrors and shelves
- Vacuum Flush toilet system
- Stall shower with door, shelves, wooden floor and painted teak wood grating
- Marble-like counter top and wash basin
- Chrome, plexiglass and s/s accessories
- 24 V Lights and 220 V AC socket
- Venetian blind
- Full-size mirror
- Porthole (1)

GUEST CABIN (2)

- Two separated single beds with bedside table and drawer
- Storage area under beds

- Spring mattress (2) and pillow (2)
- Bedspread (2)
- Fabric covering
- Wardrobe with dress hanger, inner lights and drawer
- Curtain with blind
- Drawers
- Porthole (1)

GUEST BATHROOM

- Lacquered wood cabinet for vanity, with mirrors and shelves
- Vacuum Flush toilet system
- Stall shower with folding plexiglass door
- Painted teak wood grating floor
- Marble-like wash-basin and counter
- Chrome, plexiglass and s/s accessories
- 24 V Lights and 220 V AC socket
- Venetian blind
- Full-size mirror
- Porthole (1)

CREW CABIN (OPTIONAL)

- Accessing hatch from cockpit
- Single bed with cabinets underneath
- Closing door to the toilet and shower
- Mattress and pillow
- Wardrobe and dress hanger
- Curtain with blind
- Air Conditioning system
- Vacuum Flush toilet system
- Bathroom accessories
- Porthole (1)
