☒ SAILS OF BOW	GENNAKER	☐ BOWSPRIT/ SPINNAKER POLE	
☒ ELECTRIC WINCHES	3 HARKEN	☒ VANG	IDRAULIC
☒ CARBO MAST WHIT	CARBO V BOOM WITH LED	☒ ROOD NITRONIK	LAZY JACK BAG

NOTES:

Although very beautiful and comfortable at berth, it is when sailing that the Mylius 14E55 gives her best. The light and stiff carbon construction, the high sail-to-displacement ratio and the high righting moment let her achieve excellent sailing performances and the best sailing pleasure, while cruising or racing, always sailing with the best easiness and safety, with any conditions and any crew. Furthermore, the Mylius 14E55 has proved to be extremely competitive when racing, under both ORC Int.'l and IRC systems, achieving excellent results in all regattas she has taken part.
