THIS IS ACKNOWLEDGED AS AN EXCELLENT DESIGN WITH GOOD SEA CAPABILITIES. SHE IS A SISTER
TO BRITTANY FERRIES EX QUIBERON

After her annual winter-layup she is now being re-activated at Ilichevsk, Ukraine where she can give
delivery fairly promptly. Price includes annual survey incl drydocking passed or a bit less asis. She should
be a good purchase for the right buyer! Unless sold, owners will use her in their normal Black Sea service.
