Sealord 446

The Sealord 446 is a boat designed for comfortable cruising, with a potential top speed of over 32 knots. This is achieved with ease and with impeccable sea-keeping and handling.

This yacht Sealord 446 was built in England in 2001.

Smooth and graceful the Sealord 446 provides mile after mile of relaxing and comfortable cruising.

The large bright saloon with its luxurious fabrics provides the ideal atmosphere for entertaining or just relaxing and watching the world go by. There is the option of a separate dining area or a separate third cabin thus increasing the already generous accommodation even further. A galley area provides all the facilities required by the serious cook.

The beautifully appointed double master cabin has its own en-suite shower and toilet. The guest cabin features twin-berths, wardrobe and plenty of storage space. A second shower & toilet is also provided. All the interior of the Sealord is beautifully crafted with a choice of joinery in hand finished, deep lacquered cherry hardwood.

The Mediterranean style flybridge is designed to enable the whole crew to sit and relax and enjoy the open air.

Now it is located in Croatia, Marine Dalmacija.

Hull:

length overall	12,8 m
beam	3,66 m
draft	2,44 m
hull material	glass fibre
