

World Cat

Te 330

TOURNAMENT EDITION

www.worldcat.com/330te

SPECIFICATIONS

LOA 34' | **LOA w/o Pulpit** 32'6" | **Beam** 10'6" | **Fuel Capacity** 2 x 150 gal | **Hull Draft** 16" | **Freeboard Aft** 28"
Transom Height 25" | **Trailer Height*** 10'6" | **Max HP Rating** 2 x 350 HP | **Approx. Dry Weight**** 10,400 lbs
Bridge Clearance 9' | **Cockpit Area** 109 sf | **Cockpit Depth** 45" | **Freshwater Capacity** 20 gal
Wastewater Capacity 10 gal | **Typical Cruise***** 31 mph / 1.5 mpg | **Typical WOT***** 48 mph / 1.0 mpg

* Measured to top of fiberglass hardtop, no outriggers or electronics installed

** Includes max power, hardtop and typical options

*** Tested with max power, hardtop, two people, 1/2 fuel, no gear

1090 West Saint James Street Tarboro, North Carolina 27886 www.worldcat.com

BOW STORAGE AREA

250-QT INSULATED FISHBOX W/SEAT AND BACKREST CUSHIONS

CONSOLE FEATURES: WINDSCREEN, RECESSED ELECTRONICS BOX

FULL COAMING PAD SET

40-GALLON LIGHTED LIVEWELL (PORT AND STARBOARD)

FULL 316 STAINLESS STEEL HARDWARE PACKAGE (LIFETIME WARRANTY)

MINI-BERTH W/ELECTRIC MARINE HEAD

300-QT FISHBOXES (PORT AND STARBOARD)

FIBERGLASS LEAN BAR W/BACKREST, (2) TACKLE STATIONS, 54-QT COOLER, RAW/FRESHWATER WASHDOWN, BAIT PREP STATION WITH RIGGING SINK AND CUTTING BOARD

12V COCKPIT OUTLETS (PORT AND STARBOARD)

330TE FEATURES

STANDARD

Bow

- >> Heavy duty, reinforced, stainless steel lifting eye
- >> Bow pulpit with roller and cleat
- >> Low profile aluminum grab rail
- >> Forward berth featuring a freshwater electric pump-out head with a 10-gallon holding tank and overboard discharge (port) and enclosed lockable berth
- >> Storage area for rods, tackle and gear (starboard)
- >> (3) large fishboxes: 250-quart insulated console box and two (2) 300-quart insulated forward fishboxes in the deck; floor fishboxes come with macerator pumps and overboard drains and convert to lockable gear storage
- >> (2) additional 1500-gph forward bilge pumps with auto switches
- >> Recessed rod/tool storage

Helm

- >> Fiberglass console with lockable electronics box, integrated and netted storage compartments, (2) cup holders, passenger handrail and tempered safety glass windshield
- >> Fiberglass lean bar with backrest, (2) tackle stations, raw/freshwater washdown and bait prep station with rigging sink and cutting board
- >> Power-assist steering
- >> 20-gallon freshwater system

Stern

- >> Gunnel-mounted lockable tackle storage (port and starboard)
- >> (10) gunnel mounted stainless steel rod holders
- >> Dual removable aft seats
- >> Walk-through transom featuring two (2) 40-gallon insulated, lighted livewells with 1100-gph magnetic drive pumps and overboard drains
- >> Additional house battery increases reliability and longevity of the battery bank

OPTIONAL

Accessories

- >> Extended swim platform with integrated handrails and ladder
- >> Pantograph-style heavy-duty waterproof windshield wiper with rinse

Anchor

- >> 300' line, 15' chain and 22lb anchor
- >> Freefall windlass with 300' line, 15' chain, 22lb anchor and foot switches at the deck
- >> Windlass with 300' line, 15' chain, 22lb anchor and foot switches at the deck
- >> Stainless steel anchor upgrade

Canvas

- >> High grade curtain package with Strataglass

Electronics

- >> AM/FM/CD Stereo w/ Satellite Radio
- >> LED underwater light package (Blue)

4-Stroke Engine Packages with engines, rigging, controls and props

- >> Honda 225 hp
- >> Suzuki 250 hp / 300 hp
- >> Yamaha 250 hp / 300 hp / 350 hp

Graphics & hull color options

- >> Boot Stripe or Pattern hull graphics package
- >> Carolina Blue, Fighting Lady Yellow, Ruby Red and Sapphire Blue

Outriggers

- >> Rupp Top Gun outriggers with 15' or 18' rigid poles or telescoping poles
- >> Taco 270 or 350 Grand Slam™ outriggers with 15' or 18' telescopic poles

Steering

- >> Cast Stainless Steel Edson Wheel with Power Knob
- >> Teleflex® electronic controls
- >> TR-1 Gladiator autopilot with Shadow Drive
- >> TR-1 upper station control pad

Top

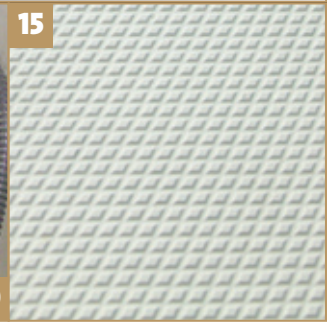

- >> Aluminum crows nest
- >> Fiberglass top with aluminum frame, lockable radio and storage boxes, LED overhead lights, rocket launchers and spreader lights
- >> Matching hardtop underside to hull side
- >> Upper station with controls and rocket launchers

World Cat strives to offer the best quality & safest boats on the water. As a result, World Cat reserves the right to make changes in specifications, options, standard features, and discontinue models at any time without notice or obligation. Weight and dimensions of all models are approximate. Please contact your local dealer or the factory for additional information.

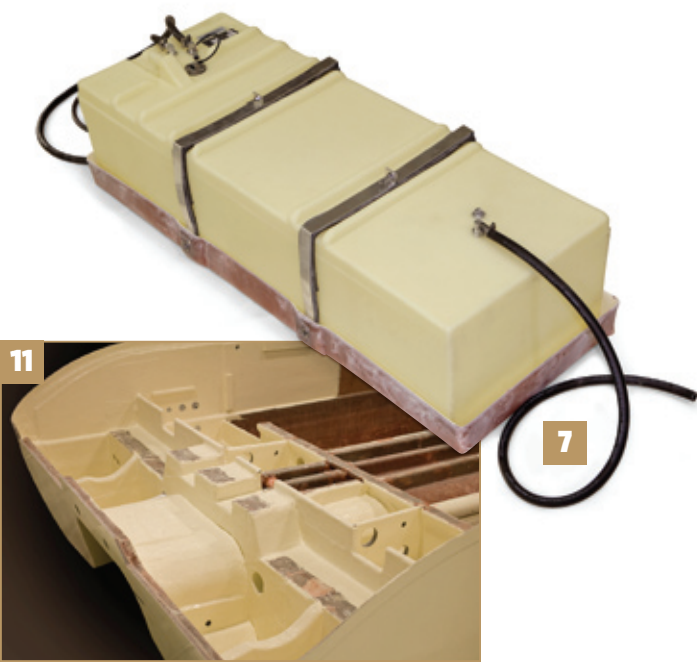

Standard Equipment

on all world cats

1. **Patented Vectorflo® semi-displacement hull** provides a dry, stable and comfortable ride
2. **Our Unibody Construction®** fuses the hull and deck to maximize hull rigidity and strength for the life of your World Cat
3. **Ten-year limited, transferable, structural hull warranty**
4. **Full 316 stainless steel hardware package** provides a lifetime warranty against structural corrosion for years of carefree use
5. **100% composite construction** creates a solid, durable, rot-free platform for serious offshore performance
6. **Independent propulsion, fuel and electrical systems** for the added security that you will be able to return home safely on one engine
7. **Non-corrosive, polyethylene fuel tanks**, which will not rust or corrode in the harsh salt-water environment
8. **Large diameter PVC rigging tubes** provide ample room for the rigging of electronics, while providing excellent chafe protection for the electrical systems

9. **Self-bailing cockpits** with a minimum of four (4) oversized drains utilizing gravity to quickly drain your deck
10. **Minimum of two (2) 1500-gph bilge pumps** with automatic float switches quickly evacuate the hull to keep you safe and your hull dry in almost any situation
11. **100% composite transom** reinforced with aluminum backing plates to hold up the stresses of high-horsepower engines
12. **Break-away dive ladder** for easy transom entry is standard on all models for added safety and convenience
13. **Water-resistant bilge hatches** with compression gaskets in motor-wells provide bilge pump access and serviceability
14. **Livewells and fishboxes** are double insulated with composite coring and urethane foam for consistent temperature control
15. **Molded-in diamond pattern non-skid** on all walking surfaces provide enough grab for safety without hurting your feet

- 16. **Toe-rails** to increase cockpit floor-space and fishability while improving comfort and safety (not available on the 270SD)
- 17. **All cleats and rod-holders** are through-bolted with backing plates for heavy-duty marine use
- 18. **Premium marine grade vinyl and foam used on** all upholstery to provide years of good looks and easy care
- 19. **Bow Anchor locker** for convenient storage of chain and rode
- 20. **LED cockpit and navigational lighting** for years of trouble-free boating
- 21. **Heavy-duty wiring systems** meet or exceed all NMMA requirements and include tinned copper wiring, Deutsch® sealed connectors, and wires labeled every three inches
- 22. **Hydraulic steering system** with tilt-helm, dual steering cylinders, and a liquid tie-bar
- 23. **All World Cats are NMMA certified** following ABYC standards while all models over 26 feet are Yacht Certified for added safety
- 24. **Battery management system** monitors and charges all three (3) battery banks while allowing for emergency paralleling for increased safety

- 25. **All World Cat helms are ergonomically designed** using our CAD system to provide comfortable placement of controls, gauges, and electronics while assuring excellent bow visibility per ABYC guidelines. As the kipper of your new World Cat, you'll find its helm to be simple, safe, and fun!
- 26. **Stainless steel cup holders**
- 27. **Minimum of two (2) twist lock 12V DC plugs** in the cockpit for downriggers, electric reels, kites, or drink blender (TE's include four)
- 28. **Eight (8) stainless steel recessed cleats** provide maximum holding power and minimum interference with fishing lines
- 29. **All wires are labeled every 3 inches** for ease of maintenance and serviceability
- 30. **Full upholstery kit** includes aft coaming pads on all boats and forward coaming pads on center consoles
- 31. **Customer care package** including Coast Guard kit, four (4) fenders, six (6) dock lines, batteries, full fuel tanks and 20-hour engine service
- 32. **Chrome-plated, epoxy-coated stainless steel fasteners** throughout for long-term performance and appearance
- 33. **Raw and fresh water systems**
- 34. **Only catamaran builder to achieve four (4) straight Marine Industry CSI Awards** for fiberglass outboard boats from 2004 to 2007 – more than all other cat builders combined
