WHERE OBSESSION TAKES YOU

OCEAN ALEXANDER®

Superior engineering. Ultimate performance. Unparalleled utility. Our obsession with building the most capable motor yachts on the water drives us to excel, even in the details. The Classicco series utilizes the most modern innovations of engineering and luxury outfitting for the yacht owner who prefers timeless marine design and true functionality.

# Classicco 50

OCEAN ALEXANDER®

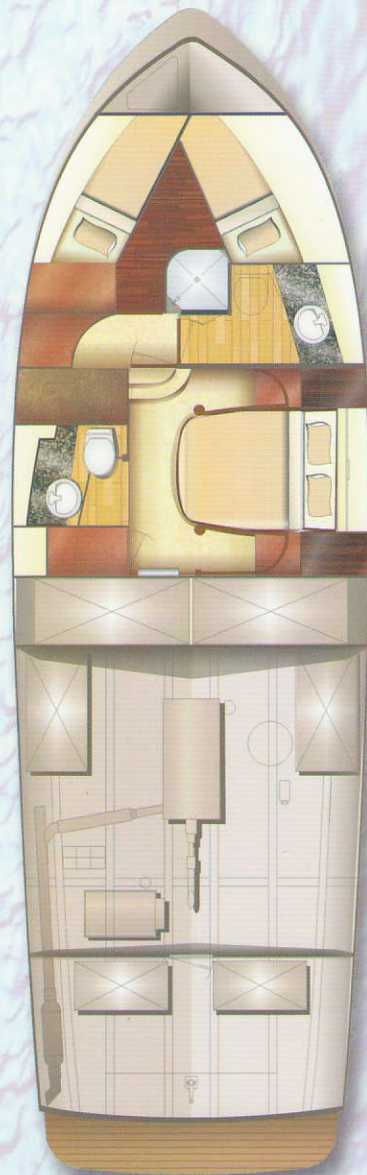

The Classico 50 is a true sea boat. A rugged vessel designed to take you in safety and confidence on your voyaging adventure. A perfect choice for cruising couples. The 50 is a true pilothouse vessel with a Portuguese bridge. The windshield, reversed for maximum protection, offers 180-degree viewing. The large galley offers excellent storage, and the pilothouse contains a table and small berth. Cedar-lined lockers come standard, as do Diamond SEA Glaze® doors.

The fly bridge offers space in the sun and easy docking. Enjoy the queen berth in the master stateroom and offer space for guests in the split-twin forward stateroom. A 700-gallon fuel tank ensures the extended range required to really get the most out of this exceptional motor yacht.
