CREW	2 Double cabins
FUEL	12,400 litres / 3,276 US gallons
FRESH WATER	2,000 litres / 528 US gallons

4. ACCOMODATION

The large cockpit, featuring an teak varnished table with chairs and a bench for 10 people, has access to the salon, divided in living area and dining area, able to accommodate all the guests. 42" LCD television, Bose Hi-Fi and entertainment system is installed in the salon area.

Continuing towards the bow, you find the wide independent galley with marble wood floor. The galley gives acces to the exterior and to the crew quarters, able to host up to 2 people in an double cabins with bathrooms.

In front of the kitchen there is the stairs to the flybridge and the daily toilette.

On the main deck, at bow, in a privileged position is located the Wheel-House, with wide windows on both sides 3 monitors for the instruments and cameras, touch-screen and all the controll system.

All the cabins are downstairs on the lower deck that offers four cabins: one VIP cabins with double bed and wardrobe, and two twin beds cabins, each served by a private bathroom fitted with marble surfaces and shower.

The master cabin has private is full beam wide with central king size bed. Access to a large wardrobe and to a bathroom with marble plans and a large shower cabin. Toilette is separate.

This MAIORA 24 S, named IKARUS makes life on board in the open air extremely comfortable: the main deck, at bow, and the upper deck, sternwards, accommodate two large sun bathing cushions, 2 tables (cokpit and flybridge) for up to 10 people each, a double barbeque and fridge, complete the furnishing of the wet-bar in the flybridge.

The flybridge has also a large open-air panoramic area with 3 sun chairs and a Jacuzzi under the sunbathing cushions. The pilot house, is located in an elevated position that allows a better control expecially when mooring.

The Hard-Top protect the pilot and tht dining area from the sun, while the Jacuzzi has a bimini that can be used when required.
