

New Model

Sleek, Powerful & Distinctive

CHASE 23

Introducing the new CHASE 23 featuring many of the design elements owners appreciate in the 31 and 38 models, including sleek and luxurious amenities, inboard turbo diesel power, a deep V Hull, NOVURANIA's exclusive PROTEX collars and a high freeboard for a dry and smooth ride. Also included is a side entry door, a recessed bow dodger compartment, a contoured console with built in refrigeration system, and enough room for lots of guests.

NOVURANIA can tailor any Chase Tender to your needs, installing custom lifting arrangements, hull, deck and upholstery colors, along with special outfitting requests.
