

LAUNCH

series

6 TO 7.5 METERS

Ship to Shore & Offshore

The new LAUNCH series is NOVURANIA's latest design and available in either JET or STERN drive. The LAUNCH series layout provides the most seating of any other model of its size. Keeping in the tradition of yacht launches of a bygone era, the classic styling and practical accommodations will surprise you. The LAUNCH is designed for yachts requiring the high performance of an inflatable offering the abundant seating for large guest parties. The center console offers boarding for either the port or starboard sides and a good vantage point for the helmsman. Self bailing decks, integrated swim platform, storage lockers and good access to all machinery combined with a good offshore design has made the LAUNCH series the #1 choice for super yachts worldwide. Ship to Shore or offshore the LAUNCH the series is a refreshing addition to any yacht. Ship to shore or offshore, the LAUNCH Series is a refreshing addition to any yacht.
