

In astronomy... "the great circle in which the plane of the equator of the earth intersects the sphere" At NOVURANIA we have taken from this concept and used it to reach new bounds in yacht tender design. By intersecting the sphere of the traditional tube of a yacht tender we can now offer more space, ease of boarding and passenger comfort. Innovative ideas produce innovative results.

EQUATOR™

5 TO 5.4 METERS

The EQUATOR series features our exclusive "D" shaped collar design, greatly increasing interior volume and raising the freeboard. This wraps the passengers inside the boat for safety and design considerations. Our revolutionary collar design offers the same buoyancy, stability, and soft-sided tenderness of our DL line with increased interior space that only an EQUATOR provides.

STANDARD FEATURES

- Bilge pump
- Switch panel
- Fire extinguisher
- Fuel / water separator
- Forward and Aft Bilge Pump
- Battery w/Battery tray
- Battery cut off switch
- Navigational lights
- Full instrumentation panel on console
- Compass
- Console rail
- Cleats-recessed
- Pressurized fresh water shower unit
- Under seat storage compartments
- Recessed lifting eyes
- White tubes with gray accent stripes
- Heavy duty rub strike on tubes
- Custom fitted cushions embroidered
- Integrated swim platform w/ retractable swim ladder
- Ski tow
- Foot pump
- Maintenance kit
- Tie down

OPTIONAL EQUIPMENT

- Canvas
 - Bimini Top
 - Bow Dodger
 - Boat Cover
 - Console Cover
- Rails and Ladders
 - Removable boarding rail
 - Console rail with windscreen EQ500/540
- Hull and Tubes
 - Custom hull color
 - Custom deck color
 - Fiberglass keel protector
 - ACS Automated Compression System (automatic inflation deflation system)
 - Custom tube color
 - Custom tube trim colors with logo inset
- Interior
 - Custom color upholstery
 - Embroidered logo on cushions
- Teak
 - Teak deck
- Lifting and Towing
 - Ski Tow Pylon
 - Custom lifting points
 - Large tow eyes port & starboard
 - Tow bridle with 150 ft line
- Electronics
 - 12Volt Receptacle
 - GPS
 - VHF
 - Depth sounder water temp and speed on NMEA network
 - Docking Lights
 - Underwater lights LED white or blue
 - Hand held spotlight
 - Stereo CD package with 2 speakers and remote
- Safety
 - Safety kit US Coast Guard Approved
 - Tube pressure gauge
 - Nav Tracker tender tracking system internet accesible
 - Onboard automatic engine room fire supression system
- Packaging
 - Shipping cradle & shrinkwrapping
