

CONAM 75_{WIDE BODY}

Overall length	23.00 m	75 ft 6 in
Waterline length	18.25 m	59 ft 10 in
Maximum Beam	5.85 m	19 ft 2 in
Draught (bottom of propellers)	2.00 m	6 ft 7 in
Dry Displacement	40.00 t	40.00 t
Maximum Displacement	48.00 t	48.00 t
Fuel capacity	6 000 lt	1 585 gal
Fresh water capacity	1 500 lt	396 gal
Engines power output	2x1 400 hp	2x1 400 hp
Maximum speed	34 knots	34 knots
Cruising speed	30 knots	30 knots
Range	400 NM	400 NM
CE Design category	A	A
Maximum number of passengers on board	20	20

A Rodríguez Company

Construction: Deep-V hull with variable deadrise and longitudinal spray rails. Hull and superstructure in PVC foam core, special isophthalic gelcoat, hand lay up of fiberglass strata and multiaxial cloth with isophthalic resin.

Deck and cockpit: 12mm chain housing (100 m), Bruce anchor (50kg), 2000W anchor winch. Stainless steel stem fitting. Bow storage space. 10 fenders. Forward sunbathing deck cushions. Built-in full-width curved glass windows. Windscreen canvas. Electric windscreen wipers. 6 bollards and 4 boat hooks. Fuel and fresh water fill stations. Pulpit and accessories in stainless steel. Antifouling. Navigation lights. 2 wing stainless steel sliding doors. Cockpit sofa with storage space. Cockpit cushions. Side storage space in cockpit. Cockpit halogen lighting. Hot and cold shower at transom. Electrohydraulic telescopic gangway 3,3 m with automatic stanchions. Stern platform, cockpit, deck and side steps in teak. Swim platform with access ladders to water. Garage for tender and jet-ski with system for launching. Mooring ropes. 2 electric mooring winches. Shore power outlet 220V.

Main helm position: Electrically adjustable pilot settee for 3 guests. Cabinet. Stainless steel/teak steering wheel. Single-lever controls. Start/stop engine keys. Full engine instrumentation and controls (RPM indicators, engine hour meters, amp meters, engine oil pressure gauges, gear box oil pressure gauges, engine water temperature gauges), including audible and visual alarms. Magnetic compass. VHF radio telephone. Radar-plotter-GPS 48Nm. Multifunction display log-eco. Multifunction display autopilot/display rudder-angle indicator. Trim tab controls. Bow thruster control. Remote anchor winch control. Windshield wiper/washer switch. Navigation lights switch. Bilge pump switches. Chain wash pump switch. Battery coupling switch. Instrument light switch. Generator control panel. Visual alarm panel. 12V lighter socket.

Flybridge: Access via side steps from cockpit. Smoked perspex side and front windshields. Upholstered pilot settee with 3 seats, storage, and cushions. Central settee with 6 seats. Central oval table. Fore and aft sunbathing area. Roll bar in GRP to support antennas, navigation lights, TV antenna and flag staff. Stainless steel

grab rails. Bullwark in GRP. Fridge unit and covered sink. Stainless steel/teak steering wheel. Single-lever controls. Start/stop engine keys. Full engine instrumentation and controls (RPM indicators, engine hour meters, amp meters, engine oil pressure gauges, gear box oil pressure gauges, engine water temperature gauges) including audible and visual alarm. Magnetic compass. VHF radio telephone. Radar-plotter-GPS 48Nm. Multifunction display log-eco. Multifunction display autopilot/display rudder-angle indicator. Trim tab controls. Bow thruster control. Remote anchor winch control. Windshield wiper/washer switch. Navigation lights switch. Bilge pump switch. Chain wash pump switch. Battery coupling switch. Instrument light switch. Generator control panel. Visual alarm panel. 12V lighter socket. Cover for the fly bridge instrument board (including pilot's seat) Loudspeakers. Chaincounter.

Salon: Sliding access stainless steel and glass door from cockpit. C-shaped sofa portside with 6 seats, small tables and stools. Cherry wood bar furniture on right side. TV-VCR-STEREO-CD-DVD. Cherry wood shelves. 3 seat sofa with coffee table on front bulkhead. Overhead in luxury fabrics and cherry wood. Halogen lights. Floor covered with parquet. Stainless steel framed glass side windows. Curtains.

Dinette: Cherry wood table and 10 chairs. Low cherry wood furniture with drawers. Halogen lights. Curtains. Overhead in luxury fabrics.

Galley: 4 burner electric ceramic hob with fiddle-rail and extractor fan. Fridge, washing machine and dryer, dish-washer, microwave/conventional grill oven unit. Drawers and cabinets. Two sofas with table. TV on bulkhead. Twin sinks. Porthole.

Owner's suite: Double bed with drawers and storage. Mattress, pillows, bedspread. Head-board and bed cornice in luxury fabrics. Mirrors. Vanity. Reading lights. L-shaped sofa. Halogen lighting. TV-VCR-STEREO-CD. Safe with key. Floor covered with parquet. Curtains. 3 portholes with mosquito-curtain. Locker room. Bulkheads covered in fine fabrics. Cherrywood doors.

VIP cabin: Double bed with drawers and storage. Mattress, pillows, bedspread. Head-board and bed cornice in luxury fabric. Mirrors. 2 cherry wood lockers.

Sofa. Reading lights. Halogen lighting. Side cabinets under burlwood topsides. Floor covered with parquet. Curtains. 3 portholes with mosquito-curtain. TV-LCD 15". Safe with key. Hatch to foredeck with adjustable screen and mosquito-curtain. Bulkheads covered in fine fabrics. Cherrywood doors.

Guest cabin (2): 2 twin single beds with drawers. Mattresses, pillow, bedspreads. Bed corniches covered with luxury fabrics. Mirror. Cherry wood locker. Reading lights. Halogen lights. Floor covered with parquet. Curtains. Porthole. Bulkheads covered in fine fabrics. Cherry wood doors.

Owner's bathroom: Direct access from cabin. GRP bulkheads. Cherry wood furniture for basin and cherry wood shelf. Separated wash compartment with rotating Lexan side. Teak grating. Halogen lighting. Curtains. Bathroom accessories. Mirror. Porthole. Automatic electric fan.

VIP cabin bathroom: Direct access from cabin. GRP bulkheads. Cherry wood furniture for basin and cherry wood. Separated wash compartment with rotating Lexan side. Teak grating. Halogen lighting. Curtains. Bathroom accessories. Mirror. Porthole. Automatic electric fan.

Guest bathroom (2): Direct access from each cabin. GRP bulkheads. Cherry wood furniture for basin and cherry wood shelf. Separated wash compartment with rotating Lexan side. Teak grating. Halogen lighting. Curtains. Bathroom accessories. Mirror. Porthole. Automatic electric fan.

Crew cabins: 2 separate cabins with shelves, lockers, mattresses, pillows. Floor covered with parquet. Bulkheads covered in fine fabrics. Cherrywood doors.

Crew head: Access from the passage. GRP bulkheads. Cherry wood furniture for basin and cherry wood. Separated wash compartment with rotating Lexan side. Teak grating. Halogen lighting. Curtains. Bathroom accessories. Mirror. Porthole. Automatic electric fan.

Engine room: Engines installed on rubber mounts. U-Drive transmission. Propeller shafts. Underwater exhaust system with bypass for slow speed. Sea water intakes with filters. RACOR sediment/separator filters. CO2 fire fighting system. Sound insulation. Air extraction by electric fans.

Desk. Floor covered with aluminium.

Ancillary equipment: Electric hydraulic steering equipment. Remote fuel on/off control and electric valves. Bow thruster.

Electrical system: Main electrical control panel at lower helm position. Panels in cabins and galley. Anode protection for all metallic parts subject to galvanic corrosion. 220V sockets in each room. Fire extinguisher controls in cockpit.

12V circuit: Adjusted voltage from batteries provides 12V where necessary for navigation and radio equipment. Generator starting battery with relay. Battery charger.

24V circuit: Battery charger. Engine starting batteries charged by the starboard engine. Domestic services batteries charged by the port engine. Battery coupling system. Battery switch for each battery group with relay.

220V circuit: Dock side connection in cockpit with cable. 24 kW total generator capacity. General magnetothermic switch with protection.

Water system: Integrated fresh water tank with inspection hatch. 24V pump with accumulator. Cold/hot water system in each head compartment, to external showers, in cockpit and in galley. Cold water system in engine room and on flybridge. 100l total stainless steel heaters with 220V electrical heating from starboard engine. Fresh flushing water toilet system. Automatic grey water tank system

Fuel system: Integrated fuel tanks with inspection hatches and stainless steel storage tank. CE compliant pipes. Remote fuel on/off control and electric valves. Remote opening/closing air intakes.

Air-conditioning system: Fan coil air conditioning system with independent regulation in each room (except bathrooms).

Bilge pump system: automatic pumps with manual switch at helm position. Audible/visual high level bilge water alarm, on helm position.

Second suction line connected to manual pump, electric pump in Engine Room or to a mechanical pump Engine room emergency bilge system with change-over valve on engine cooling-system.
