VanDutch 40

An exclusive design for an authentic masterpiece

VanDutch 40 is a yacht full of style and personality, with an unmistakable minimalistic style: a masterpiece of luxury and design.

The extremely clean lines are evidence of great attention to detail, and the meticulously designed spaces ensure a perfect balance between functionality and aesthetics. Retractable bollards, a hidden automatic anchor, and the absence of any superfluous elements enhance the brand's integrated essentiality.

The dashboard features Garmin's most advanced electronic instrumentation with EmpirBus technology and two 12" touchscreens, making it easy to manage all on-board systems.

At the centre of the boat, the spacious cockpit is protected by a wraparound windscreen and by the elegant bimini top. It offers a generous L-shaped sofa contiguous to the aft sundeck, served by a central refrigerated table and offset by an additional seating area.

All the walking surfaces are covered in Flexiteek synthetic teak: an innovative Made in Italy product that is UV and heat resistant, non-slip, and requires no specific maintenance.

Engine soundproofing, vibration reduction and low fuel consumption ensure a comfortable, safe and unforgettable cruising experience.

The interior is available in two versions, both with separate bathroom with shower: the "Lounge" provides a comfortable sofa to create a relaxing corner, while the "Sleep" features a U-shaped sofa and a fold-down table that can be converted into a bed.

Motorisation features two Volvo Penta diesel engines, with 380 or 440 HP.

Cantiere del Pardo, Made in Italy excellence for over 50 years

Style, innovation and performance:
an exclusive Made in Italy product,
with worldwide recognition.

It is the latest jewel from Cantiere del Pardo,
prestigious Italian boatyard with over
50 years of experience in the construction of
yachts of the highest quality: Grand Soleil, Pardo
Yachts and VanDutch Yachts.

The VanDutch fleet is distinguished by its iconic
design and the essential functionality of its spaces,
tailored to the size of each model to meet the
needs of a day cruiser and of those enjoying
longer cruises.

From VanDutch 32 to VanDutch 56, all models
are also ideal as luxury tenders for super yachts.

Discover VanDutch 40

The qualified team is at your disposal 7 days a week for information, to reserve a visit of the boat or to receive a customised configuration.
