

M/Y *Play Fellow*

M/Y Play Fellow has 4 well-equipped spacious cabins:
1 master, 1 double-bed cabin and 2 twin cabins.

Each cabin has en suite bathroom and
air conditioning (separate units in each cabin)

Yacht's exterior is protected with an awning at the aft part.

Sunbathing and relaxing areas are positioned on front and aft decks.

Spacious lounge area , separated from the dinner,
is equipped with LCD television, CD, DVD, X-box and radio system.

The air-conditioned dining room, an ideal place to be
during the bad weather, welcomes 8 guests around the table.

Four M/Y Play Fellow's crew members will ensure a memorable holiday and unforgettable cruise to their guests

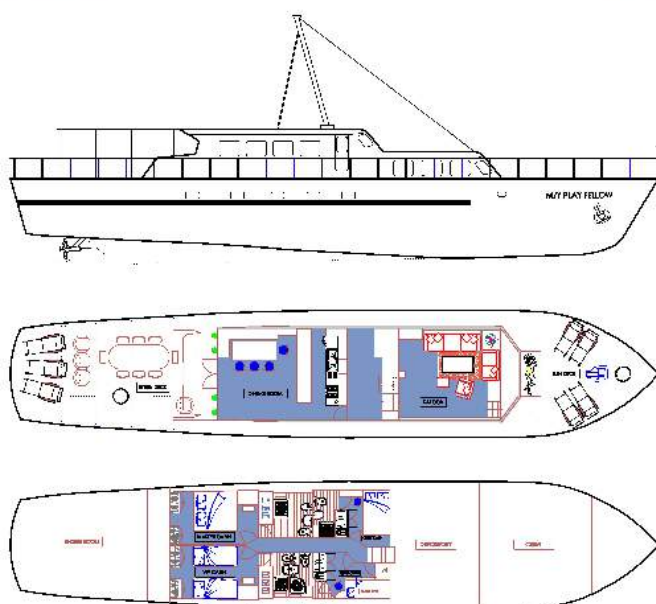

Motor yacht Play Fellow was built in 1966 for a famous Austrian industrialist in the Swedish shipyard Gustafsson & Anderssons Varvs, today Boghamar Marin Lidingo.

The new owner, a great lover of marine sciences, carried out two yacht refits. A complete refit, with the engine renovation and installation of new motors and generators, as well as the navigational instruments, was done in 2000.

The interior was renovated in 2005.

Play Fellow with 260 m² can become your private oasis of peace and pleasure, where you can relax with your friends and family.
