CREW PROFILE:

YACHT CAPTAIN – MARKO

Marko comes out from hard-working seamen driven family. When he was 15 he gained his first boat leader licence, and he has been developing his skills ever since. He's keen to meet new people and different cultures, as well as to show you how beautiful are our coastline and islands. Marko has a vast of experience on both bareboat and crewed yachts and is passionate about sailing and yachting.

YACHT STEWARDESS – MARINA

As her name says, she is typical women from the sea. Born and raised in Trogir in a fisherman family, Marina developed love to sea from an early age. Living in Dalmatia all her life gave her enough time to explore all the coast beauties and hidden gems. During her free time she loves to travel, meet new people, explore new places and culture. After getting her degree from Law school, she decided to follow her passion in the maritime industry. Since 2019 Marina was building her knowledge, first as sole stew and later on as a second stew on 45 m yacht. Her high standards, fast learning and multitasking have always been one of her greatest assets.

"Everything that I love we have here in Dalmatia: clear sea, beautiful nature, warm sun, excellent food and so kind people. When we put all that together, you have a perfect holiday.

YACHT COOK – MARTA

After getting her diploma in Crisis Management in Zagreb and living across Europe and America, she decided to follow her family roots and move to Dalmatia. From an early age, she spent time in the kitchen watching her mother and grandmother cook. That's how Marta developed her passion for culinary arts. Her favourite is Mediterranean cuisine, but she can handle all of your culinary wishes, especially if you like desserts.

The only thing she loves more than cooking is being surrounded with good people and getting to learn about different cultures from all around the world. Her main goal is that your palates are satisfied.

Welcome aboard...
