

Gulet name "Vila Vrgade" (fairy of Vrgada) was taken from a legend told throughout the generations on our island of Vrgada. In this legend there was a good fairy that lived under a cliff, in the hill above the village, looking out onto the Kornati islands. It was said that she watched over the villagers and protected them from pirates and bad weather.

Vila Vrgade gulet is meant for high tourism and has been given five stars for its accommodations and professional crew who will guide you on your trip. A long time after your holiday at sea you will still be talking about delicious meals, clear water, small villages and natural bays. M/Y Vila Vrgade is a classic two masted caique - of approximately 18 m length - with spacious interiors and a comfortable and large cockpit. If you love the sea, the nights in a desert bay under a starry sky, berthing in a small fishermen's port, forgetting everyday life and problems, discovering everyday a different island, eating in a nice tavern by the sea, making new friends and never being bored...well, if you love all this, then go aboard the Vila Vrgade gulet!
