

Fishability, Speed & Performance.

It should come as no surprise that CABO Yachts are found virtually everywhere in the world where great game fish are pursued. Whether you're wrestling with a marlin or a wahoo, the 32 Express is designed with the specialized needs of the serious sportfisherman in mind. Proven to be the most difficult design aspect of any sportfisher less than 35 feet in length, proper hull balance is what sets the CABO 32 apart from its competition. The CABO Yachts team worked in conjunction with award-winning Michael Peters Yacht Design to create a boat that would prove to run equally and exceptionally well at elevated or trolling speeds. The hull of the 32 Express is remarkably well balanced, providing a drier, faster and smoother ride than its competition ever thought possible.

CABO 32 Express Buyers Guide

32 EXPRESS

SPECIFICATIONS

Length Overall (w/ pulpit)	35'0"
Hull length	32'10"
Beam (Extreme)	13'3"
Draft	2'8"
Transom Deadrise	17.5°
Displacement (Lt)	19,100 lb
Fuel	350 gal.*
Water	50 gal.*
Cabin Headroom	6'-6"
Berths	4

* Approximate Measure

STANDARD EQUIPMENT

Hull

- Boot striping - choice of colors
- Bottom paint, complete preparation - 2 coats epoxy, 2 coats anti-fouling paint, black, standard
- Molded fiberglass construction with superior ISO/NPG gelcoat exterior finish and premium vinylester resins throughout; bi-axial stitched fabric reinforcement; solid fiberglass bottom construction; core construction from chine to sheer
- Stainless steel rub strip on face of white high-density PVC rub rail
- Trim tabs, fully recessed

Deck

- Aluminum reinforcing plate installed for mounting fighting chair
- Bow cleats, 10" stainless steel
- Spring line cleats, 10" stainless steel
- Stern cleats, 10" stainless steel
- Stern hawse pipes, stainless steel
- Bow pulpit, integral molded fiberglass
- Custom bow rails, aluminum

- Deck surface, molded-in, non-skid
- Molded fiberglass using premium polyester resin, bi-axial stitched fabric reinforcement and core construction
- Molded-in non-skid surface
- Premium quality molded-in white gelcoat exterior finish
- Recessed custom stainless steel anchor roller assembly
- Windshield, side vents, heavy-duty welded aluminum construction finished in white polyurethane paint; includes electrically actuated center vent
- Windshield wipers (2), self parking with washers

Cockpit

- Bait prep center, portside; includes sink, rigging board and tackle storage fitted with custom lid, gas spring, full-length stainless steel piano hinge and custom latch
- Bait tank, 45-gallons, molded into transom with large overboard drain and LED lighting
- Courtesy lighting under gunwales and toe kick
- Fishbox, large capacity, built into cockpit sole
- Gunwale paddin, high-density foam, white vinyl covered
- Ice box, starboard side fitted with gasketed lid, gas spring actuator
- Padded cockpit coaming
- Rod holders (4)
- Self bailing cockpit scuppers
- Step, port and starboard
- Transom door with top gate, extreme duty polished stainless steel hardware
- Fresh/salt water washdowns

Helm Deck

- Custom outdoor helm deck carpet
- Helm Console, integrally molded
- Helm & companion seats with foot rests
- Molded fiberglass helm deck, hydraulically lifted, with cockpit control unit
- Sliding companionway door, white translucent acrylic with latch, lock and safety stop
- Storage cabinets with tack drawers, starboard
- Storage cabinets, port
- Electronic controls backup
- Compass with light, flush-mounted
- Complete custom engine instrument panel with audible warning system
- Custom switch panes, stainless steel
- Fire and bilge high water level arms, audible
- Stainless steel helm wheel

Mechanical

- Bilge pumps, three DC automatic/manual
- Bilge, white gelcoated finish
- Bronze high speed water intake scoops with integral seawater strainers
- Double constant torque stainless steel clamps on engine exhaust hoses
- Double hose clamps on all hose fittings, stainless steel
- Emergency bilge pump diverter valve on one main engine
- Engine alarm system
- Engine hour meters (2)
- Engine room sound insulation, high density barrier/foam sandwich, silver mylar faced
- Fiberglass fuel tank, baffled, fire-retardant vinylester resins
- Fire extinguishing system, manual/automatic
- Freshwater cooling on main engines
- Fuel lines, metal braided, fire-retardant
- Fuel tank, fiberglass, fire-retardant vinylester resin
- Fuel filters with water separators on main engines and generator, large capacity
- Helm deck lift system, hydraulic, marine grade
- High water bilge alarm (3)
- Holding tank, macerator and dockside discharge
- Hose sleeves, braided, on all nylon hydraulic steering lines
- Metal braided fire-retardant fuel lines
- Mufflers, fiberglass with backwash surge tube
- Propellers, Nibral
- Propeller shafts, high strength stainless steel, double taper, couplers
- Rudders, high strength bronze
- Seacocks, UL approved for marine application bronze, fitted on all thru-hulls below waterline
- Stuffing boxes, bronze, dripless lip seal type
- Water heater, stainless steel
- Windless, DC heavy duty, for rope & chain

Electrical

- 5-K W freshwater-cooled diesel generator with seawater strainers remote start and digital panel, water muffler, safety shut down system
- 30-amp shore power with 50' shore cord
- Air Conditioning, reverse cycle
- Batteries (5), heavy duty
- Battery charger, automatic
- Battery on/off switches, vapor-proof
- Battery paralleling, automatic
- Bonding system with transom zinc plate
- Circuit breaker protection throughout
- Custom AC/CD electrical distribution pane with line voltage, battery voltage, load meter and reverse polarity light
- Engine room lightning DC
- Horn, dual air trumpet, shipped uninstalled
- Navigation lights, shipped uninstalled for future mounting on arch, hardtop or tower
- Receptacles throughout cabin, GFI protected

Main Cabin

- AC duplex outlet/GFI protected
- Access hatch to below deck equipment
- Air conditioning /heating 10,000 BTU
- Interior wood, teak, superbly joined and finished in satin varnish
- L-shaped lounge converts to upper and lower sleeping berths with removable table
- Recessed halogen lighting
- Positive latches used on cabinet doors and drawers
- Removable deep pile carpet
- Selection of fine quality interior fabrics and covering throughout

CABO 32 Express Buyers Guide *(Continued)*

Galley

- AC duplex outlet/GFI protected
- Ceramic cook top, two burner, recessed with Corian® cover
- Corian® counter top (standard color Fossil), with custom Corian® sea rails
- Undercabinet recessed halogen lighting
- Microwave/convection oven
- Positive latched used on cabinet doors and drawers
- Side by side refrigerator/freezer, AC/DC
- Sink, deep single
- Storage compartments and silverware drawer

Forward Cabin

- Access to anchor rope locker
- Deck hatch, opening with screen and sun shade
- Offset double berth with storage below
- Positive latches used on cabinet doors and drawers
- Recessed halogen lighting
- Rod storage cabinets port and starboard, for 8 rods

Head Compartment

- Air conditioning/heat vent, adjustable
- Custom vanity with mirror
- Head, electric
- Holding tank monitoring system
- Lighting, DC, recessed halogen
- Positive latches used on cabinet door
- Shower, handheld with automatic shower sump pump
- Toiletry storage cabinet with sliding mirror doors
- Towel rack
- Rod storage rack for 3 rods
- Vanity sink

Safety Equipment

- Anchor, 20' chain, 250' rope, life jackets, throwable P.F.D., fire extinguisher, docklines, fenders, distress signaling device, flashlight, emergency horn, first aid kit, bell

OPTIONAL EQUIPMENT

Engine Options

- Twin Cummins QSB5.9, 425HPM
- Twin Cummins QSB5.9, 440HPM
- Twin Yanmar 6LY3A-STP, 440HPM
- Twin Caterpillar C7 ACERT, 461HPM
- Twin Yanmar 6LY3A-ETP, 480HPM

Mechanical Options

- 7.6 kW freshwater cooled diesel generator in lieu of 5kw*
- Bow thruster 4hp
- Helm deck a/c 10,000btu
- Oil change system, mains and generator
- Power assist steering, electric
- Trolling valves

**Generator is not intended to supply power for all standard and optional accessories. Load must be limited to generator output rating.*

Interior Options

- Alternate color Corian® counter - galley
- Alternate color Corian® counter - head
- Leather sofa
- Sheet set (cotton)
- Teak & holly sole in lieu of carpet

Appliance Options

- Cockpit freezer
- Ice maker under helm seat

Sportfishing Options

- Window in bait tank

Audio Visual Options

- Stereo/CD/MP3 in salon, 2 speakers salon
- 20" LCD TV/CD/DVD/MP3 - 4 speakers, 2 salon, 2 berth
- Express stereo, CD/MP3 - 4 speakers, 2 cockpit, 2 helm deck
- Cable TV/telephone connection, cockpit, shore connection, on (1) outlet - salon

General Options

- Extra outlets
- Hull color other than white*
- Pre-wire 12v electric reels in cockpit
- Pre-wire & plumb for tuna tubes
- Pre-wire for under water lights
- Propsmith™ propeller installation and removal tool
- Aspare props
- Swim platform ladder, stainless
- Swim platform, fiberglass
- Vacuum head system, freshwater

**Cabo Yachts limited warranty does not cover or extend to any gelcoat finishes. Colored gelcoat finishes are susceptible to fading.*

Rail Options

- Rails, east coast style, polished stainless in lieu of standard
- Rails, west coast style, aluminum in lieu of standard
- Rails, west coast style, polished stainless in lieu of standard
