TECHNOLOGY AND PERFORMANCE

GALEON

The nimble 440 Fly delivers a smooth and stable ride thanks to a great hull design and comprehensive onboard electronics. Fitted with two engines delivering up to 600 HP each, it can reach speeds of 35 knots and will steadily handle all weather conditions. Available with top-of-the-line navigation, radar and sonar devices as well as a high-end entertainment system.

GALEON

A well-planned interior provides a generous amount of space. The main saloon is complete with a sitting area and a fully functional kitchen. Three bedrooms offer respite below deck with the convenience of two bathrooms. This imaginative solution guarantees privacy and comfort for all passengers.

THE WENGE DESIGN

GALEON

The Wenge design line is both contemporary and elegant, creating an interesting contrast between dark wood and light upholstery. This exotic material is uncommon and sought after, refusing to simply blend in. The lavish interior is a powerful testament to this yacht's pedigree and exclusivity.

»»» GALEON 440 FLY

Galeon's set out to create a comfortable, stylish yacht with unparalleled performance and excitement. The 440 Fly combines robust materials and expert workmanship to craft a unique vessel that is durable and safe to operate under any conditions. The handling is firm and smooth - making a ride in the 440 Fly thrilling and enjoyable.

OVERALL EXCELLENCE

Below deck three bedrooms can be found for a total of six sleeping places. For extra comfort the master bedroom comes with a private toilet complete with shower. Additional, fully functional bathroom is available from the corridor. Guest bedrooms offer one double and two single beds great for friends and family.

COMFORT BELOW

The 440 Fly's easily accessible flybridge allows for great visibility and total control- especially handy on crowded water routes and marinas. Fitted with a sofa, sun bed, refrigerator and a table the upper deck is the perfect stage for your sunny day getaway. Stainless steel, teak and luxurious finishing truly set this model apart.
