

BOATYARD	CANTIERE DEL PARDO
YEAR	2006
DESIGN	JUDEL-VROLIJK
LENGTH	13.55 m
BEAM	4.26 m
DRAFT	2,30 m (LEAD)
DISPLACEMENT	11.500 Kg
SAIL AREA	115 SqM
FLAG	ITALY
LYING	GENOVA
PRICE	145.000 €
SAFETY CERT.	2024

ENGINE

Engine	VOLVO PENTA D2-55
Power	55 HP
Work hours /tank	4017 / 230 liters
Transmission	S-DRIVE
Propeller	VOLVO 3 blades

LAYOUT

Cabins	3
Beds	6 + 1 dinette
Heads	2 with electric wc
Transom	Equipped w bathing ladder
Crew cabin	no

INTERIOR AND COMFORT

- Fresh water tank 450 liters
- SONY CD radio with internal and external speakers
- 6 X 110 Ah service batteries
- 1 X 110 Ah engine battery
- Quick charger
- Mastervolt inverter
- Shore cable 220 with 15 m extension
- Electric boiler
- Internal LED lights

INSTRUMENTS AND ELECTRONICS

- Raymarine "Raychart 435 LCD" color chartplotter
- Raymarine ST 6001 autopilot
- Raymarine 54 E VHF radio telephone
- Raymarine ST 60 wind station
- Raymarine ST 60 odometer and log
- Raymarine ST 60 ecosounder
- Photovoltaic system - 4 Ultraflex 104W panels
- Victron charge controller with mobile phone control
- Barometer
- Hygrometer
- Clock
- Windex
- Compass

SAFETY AND ACCESSORIES

- Deck, cockpit and deckhouse covered in teak
- Stem platform equipped with swimming ladder
- Cockpit table in teak
- Cockpit shower hot and cold
- Sprayhood
- Bimini in the cockpit with photovoltaic panels
- Full deck white sun awning (2017)
- Quick electric windlass (2019)
- Delta anchor 16 kg with 70 meters chain diam. 10 mm
- 8 F3 fenders with socks + 1 A3
- 4 mooring lines
- Tender Zodiac 2.20 m (2019)
- Yamaha outboard engine 2,5 Hp (2019)
- Safety equipment
- 10 person self-inflating life raft expiring in 2021

EXTERIOR LAYOUT AND RIGGING

- Sparcraft mast and boom in aluminum 3 orders of spreaders
- Stainless steel wheel with leather cover
- Facnor jib furler
- 2 additional winches
- Harken mechanical tumbuckle
- Rigid vang
- 1X19 shrouds rigging
- Lazy bag
- SAILS
- Quantum Sails mainsail (2015)
- Quantum Sails dacron jib (2019)
- Quantum Sails Gennaker A2 (2016)

Historic project of Cantiere del Pardo born for fast cruising, the GS 45 JV is characterized by excellent sailing performance and generous spaces in the cockpit and on the side decks.

Interiors show the classic layout with a large table in the dinette, an L-shaped galley with three cabins and two heads. The proposed boat is in excellent condition thanks to the annual maintenance and the recent replacement of the main systems including all the sea cocks, the electric toilets, the kitchen and the solar panels (2019) and the gasket of the propeller S-drive and the mattresses in 2020.

The propeller foot gasket was replaced in 2019 during the total engine overhaul with regular documentation.

The attached photo shoot was taken in Genoa on November 16, 2020

Boat managed with exclusive mandate.
