2) COMMENTS

Aicon 75' is MCA coded. She has a modern interior, the salon features 2 large white sofas on either side, gorgeous dark wood floors that accent the light wood structure, the formal dining table is forward of the salon in an open plan, full length windows create the even more space and allow ample natural light.

She offers guests plenty of external deck space. The aft deck has an alfresco option while aft steps lead down to the swim platform. Forward the deck space continues. Above the main deck the flybridge has another alfresco dining option, ample seating, a BBQ and prepping area.
