**Description**

This BSD 75 is a very sought after displacement Motor Yacht from the famous Benetti shipyard. Displacement yachts are becoming increasingly sought after because of their long range and frugal fuel consumption. This is a particularly well equipped, well looked after and commercially registered example.

Steel hull with aluminum superstructure, hull is painted with AWL grip, all decks are teak laid, built to Rina-100 A1.1 Y class, this is a very desirable vessel which could mitigate its running costs with charter income.
