Fuel capacity: **23.000 lt**

Water capacity: **10.000 lt**

Year **1942**

Rebuilding **1970, 1975**

ASKING PRICE: € 990 000 (VAT paid)

**Features**

You can feel a particular atmosphere aboard the New Vagabunda made of noble wood, antique and precious furniture. The ship-owner area that includes a sauna is forward on the main deck and, like the other four cabins with twin or double beds on the lower deck, is equipped with an air conditioner, hi-fi stereo and personal bathroom with bath-tub, shower, bidet, toilet and washbasin. A fanciful feature of bathroom finishing is the fine gold gilding of taps and fittings. The equipment is made up of genuine piece of furniture and pictures of XVIII century. The 50 sq.m main hall has three meeting areas with comfortable sofas and a gaming table. The air conditioning, the equipped bar and the high fidelity stereo make the living room much more comfortable. The viewing room is equipped with a satellite antenna, cd and dvd players. On the same deck you can find a room for having breakfast and a round comfortable table. On the upper deck there is a beautiful 12-seats dining room, which if necessary can be covered and heated. Here you can try specialities of our chef and enjoy view. On the same deck you can also find an area equipped with tapis roulant, deckchairs to sunbathe and relax after lunch. The solarium is placed on a deck above the dining room which allows you to sunbathe in privacy, sunk into a big and soft 30 sq.m white surface, equipped with hi-fi system.

Equipment

The New Vagabunda has a wide range of equipment for aquatic sports: a 7.50 m semirigid rubber boat, a water scooter, flippers and snorkelling.
