Description:

A real "rubber boat" style boat, this original version of a console boat combines, thanks to the particular shape of its hull, the exuberant performance and grit of an inflatable boat with the solidity, safety and durability of a fibreglass boat. Excellent speed even with low motorization 40cv and therefore ideal for those who do not have a nautical license but do not want to give up the speed in navigation. Presented at the Boat Show 2019 the special edition "Tricolore" ready for delivery with integrated fuel system...

Standard accessories:

White hull, complete upholstery, large bow sundeck, console with windscreen and handrail, safe rear seat with backrest, double driving seat, seat in front of the console, integrated stern platform, bollards, hooks, low steel handrail, steel swim ladder, electrical system complete with compass, horn, navigation lights, light 360, bilge pump
