Height cabin (approx)	1,90 mt	1,90 mt

Price: from 155.400,00 € + Vat*

The perfect duo: fun and safety

With a top speed of more than 35 knots, with the BAVARIA S33 you can get everywhere quickly, but safety comes first: an intelligent design of the hull, very high and stable sandwich system construction. On deck we find wide lateral gangways, a continuous handrail up to the stern and handles to ensure maximum safety on board.

Exteriors

Characterized by an attractive design and spaces comparable to those of boats of higher category, the BAVARIA S33 is proposed in 2 versions. The 33 OPEN version is equipped with a roll-bar that allows you to install antennas or a radar and the Bimini top, which can be mounted quickly. Absolute novelty is the HT version, equipped with a rigid top that, thanks to the flexible cover, transforms in a moment in cabrio, perfect for all those who want to enjoy a long season.

Interiors

Below deck, up to six people can find enormous living space in the saloon and in the completely redesigned cabin. Love of detail, experience and extensive use of technology are the basis on which BAVARIA designers and builders have developed the interior of the S33.

Options motorization*

	OPEN	HT
2 x Mercruiser gasoline 4.5L-250-DTS EC (2 x 253 Hp)	€ 155.400,00	€ 173.500,00
